

LITERARY TRANSLATORS AND TECHNOLOGY

INSIGHTS FROM USER-CENTRED RESEARCH AND LITERARY TRANSLATORS' PERSPECTIVES

Friday 5 July 2024, 11:00 - 15:30 (CET)

In person at Ghent University and Online

Join us for an afternoon of talks and discussions, and be the first to hear the results of the EU-funded “Developing User-centred Approaches to Technological Innovation in Literary Translation” (DUAL-T) project!

With contributions from:

- Dorothy Kenny
(Dublin City University)
- Marion Winters
(Heriot-Watt University)
- Damien Hansen
(University of Liège/Ghent University)
- Paola Ruffo
(Ghent University)
- Lieve Macken
(Ghent University)

Full programme and registration

The event is free, but registration is required for both in-person and online participation.
