GOLDEN
AutoDrive™ 3.0
CUSTOMIZED COMFORT

Features that make Golden Power Lift Recliners America's #1 brand!

Golden Technologies is the world's leading manufacturer of power lift recliners. Founded in 1985, Golden has become America's most trusted and reliable brand. All chairs are handcrafted by American workers with domestic and imported materials (with the exception of the PR445 Siesta Series chair, which is designed by Golden and manufactured by our offshore partner). Each chair undergoes over 42 quality control inspections before the product is approved for shipping. Golden is the pioneer of innovative products and features. *Golden lift chairs are Class II Medical Devices.*

TOTAL CONTROL
Operates the basic movement of the chair.

POSITION CONTROL
Programmable positioning buttons for individualized comfort.

CUSTOM CONTROL
Fine tunes any position by moving the backrest and footrest independently.

TEAM GOLDEN MAKES PENNSYLVANIA PROUD

As COVID-19 is impacting more and more individuals around the globe, Golden Technologies identified a way to use the exceptional skills of our employees in our power lift chair division and the capabilities within our manufacturing facility to quickly produce disposable face masks exclusively for a local healthcare provider. **We have refined our "IN STOCK" product offerings to meet the needs of our customers during this time.**

"I am extremely proud that we are doing our patriotic duty in defending our great nation against this virus and playing an even more important role in the communities where we live and work."
