GALLERY

Our basement gallery is known for its innovative and exciting programme of exhibitions, talks, workshops and screenings.

We have hosted exhibitions and events with Altered States, Primary, Family Portrait, BJP, Dust Off Projects, Offset Projects, Palm Books, Mack, Guest, Void, Aperture, Open Doors, and Setanta Books.

With space for 45 seated or 50 standing our versatile gallery space hosts exhibitions, workshops, co-working, product launches, small conferences, networking events and parties.

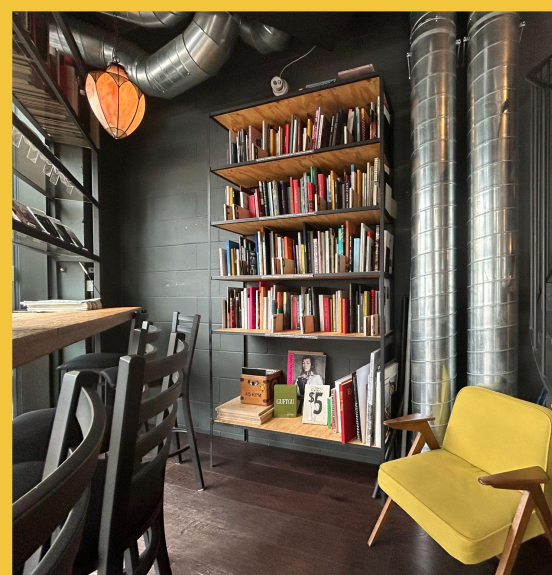

Stair access is from our street level cafe bar serving a simple and flavourful menu of cafe bar food & drink. We offer reasonably priced catering options; barista coffees, freshly squeezed juices, breakfast pastries, cakes, hot snacks, beers, wines and cocktails.

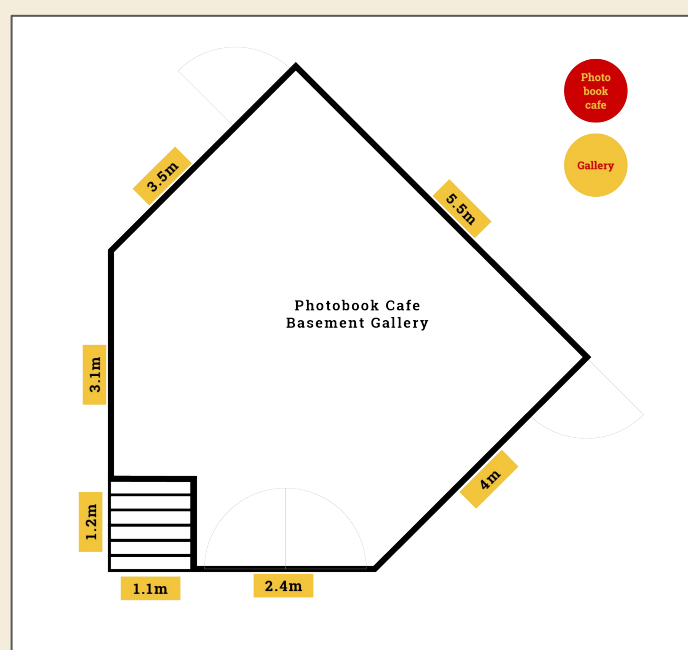

BOOK LAUNCHES

Upstairs in the cafe bar our Book Launches are a great alternative to Gallery Hire. We make a designated area available with table space for book display and signings. We take zero commission on sales.

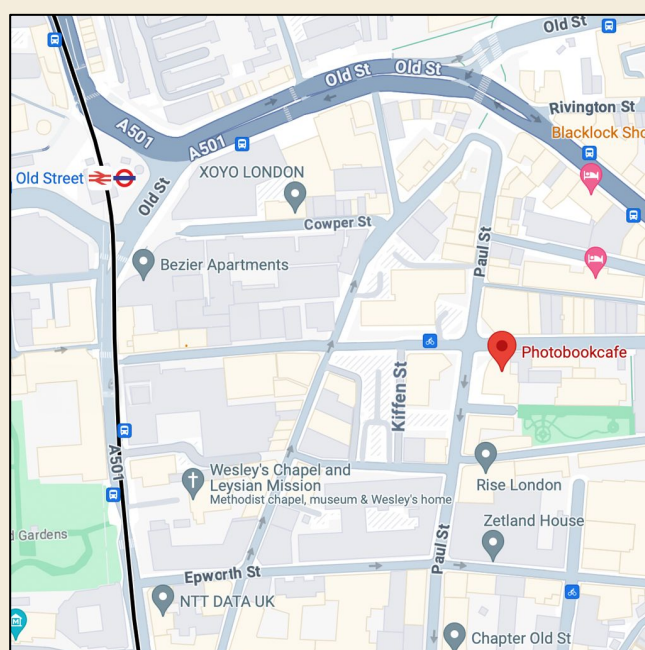

We fully support all bookings with effective event promotion through our social media, website, network and mailing list.
