WE DESIGN VISUAL STORYBOOKS

01 Flush Mounted Leather + Linen Albums

Flush Mounted Heirloom Albums are our highest quality album featuring a 100% genuine leather cover or hand-spun linen (*photo inlay optional), thick card stock paper printed with fine art grade ink. Our heirloom albums feature a UV protectant coating on each page added for lasting color quality that will last decades. Prints are flush mounted to a 1/16" board, offering a solid feel, high-end look and lasting quality. The UV coating and materials used in our albums are what make them superior in quality to our heirloom books.

**Embossing Optional*

DOCUMENT YOUR LOVE STORY

02 Press Printed Wedding Books

Our press printed wedding books are printed on thick press paper with a soft texture and beautiful matte tones. The book is limited to linen, faux + bonded leather covers (genuine leather is limited to our signature heirloom album). The page thickness is .0205" meaning it is still sturdy, without the ultra thick pages our albums feature. There is no UV protectant option, pages are printed with a classic matte lustre finish. No cover image option.
