CERTIFICATES OF COMPLETION

The “My Child has a Hearing Loss, Now What?” Course qualifies for 8 Professional Development Hours (PDHs). If you are a practicing professional or student in the field, we will provide you with what you need to obtain professional development hours credit for completion of the course. You will be provided with a printable pdf certificate and a course outline with a list of learner objectives once you’ve completed the program. Please be sure to mark each module as “complete” while working through the program. Email the request to hello@mamahuhears.com and you will receive your personalized course completion items electronically.
