Island Grown Initiative (IGI) is seeking a full-time, year round energetic individual to join the team. IGI is a non-profit on Martha’s Vineyard that is committed to food equity and year round food production. To fulfill that goal IGI operates a 30,000 square foot hydroponic greenhouse. This position would help staff the greenhouse operations and other farm related duties.

**Greenhouse Worker Responsibilities:**
- Seeding, transplanting, pruning, trellising
- System care and maintenance (i.e. fertilizing, cleaning filters, tables, and grow trays)
- Produce harvesting, bagging, and labeling
- Assist in other general farm chores (i.e. landscaping, egg collection & washing)

**Skills and Experience:**
- Job experience in agriculture (vegetable growing experience a plus but not needed)
- Physically capable of manual tasks, including the ability to comfortably lift 50 lbs
- Passion for growing healthy food
- Ability to be self-motivated while functioning well as part of a team
- Willingness to work hard, while bringing a spirit of fun to the team

**Compensation:**

$18/hour

To apply, please send a cover letter and resume to office@igimv.org. Thank you!
