

TO THE LEGISLATIVE ASSEMBLY OF ONTARIO

WHEREAS during their first term in office, the Doug Ford PC government introduced mandatory proof of COVID-19 “vaccination” laws for Ontarians to access certain private facilities after they had implemented the same for some public facilities in education and healthcare facilities. AND WHEREAS prior to the implementation of Ontario’s COVID-19 “vaccine” mandates, the Doug Ford PC government publicly admitted to lobbying the Justin Trudeau Federal Liberal government to introduce a national COVID-19 “vaccine” passport across Canada.

AND WHEREAS the University of Toronto continues to mandate the COVID-19 “vaccine” for any student staying in residence.

AND WHEREAS Western University continues to mandate masks and the COVID-19 “vaccine” for all students and staff.

AND WHEREAS operators of other public and private facilities in Ontario, such as nursing homes, continue to segregate Ontarians by mandating the COVID-19 “vaccine” for staff and all those visiting their facilities which can result in separating families from one another.

AND WHEREAS the Doug Ford PC government continues to allow operators of private and public facilities to implement COVID-19 “vaccine” mandates for employees and visitors.

We, the undersigned, petition Premier Doug Ford, his government, and the Legislative Assembly of Ontario to: Use all legal and regulatory tools available to the Legislative Assembly and the government to ban the continued enforcement of COVID-19 “vaccine” and mask mandates in public or private sector facilities in Ontario.
