

TAX INCREMENT FINANCING PUBLIC PARTICIPATION APPLICATION

The Authority may provide financial assistance for suitable undertakings and activities facing extraordinary expenses. Among meritorious undertakings and activities, the Authority will consider the quality of materials and consistency with prevailing policies, standards and regulations. While individual undertakings and activities will address the elimination or reduction of conditions identified in the Urban Renewal Plan, it is anticipated that the extent and nature of the Authority's participation will vary by undertaking or activity and location. A property owner or developer requesting financial assistance shall participate in a pre-application meeting with PAR Staff and make one (1) comprehensive submission for review by the Authority. Verify the property is in the Parker Central Plan Area on page 8.

The submittal, shall include the following:

Redevelopment project name: _____

Project street address or location: _____

eTRAKiT case numbers (planning and building): _____

Application Requirements:

Project Facts

Indicate the following data and information (as applicable):

- a. Gross Building Area: _____
- b. Housing
 - number of units: _____
 - average square footage: _____
 - type renter occupied or owner occupied: _____
- c. Restaurant Space (SF): _____
- d. Office Space (SF): _____
- e. Retail Space (SF): _____
- f. Other Space (SF), such as research and development or institutional: _____
- g. Parking Requirements: _____
- h. Building Height: _____
- i. Floor Area Ratio: _____

Parker Central District

- Will the investment help bring activity and vibrancy to the heart of Parker?

Please Explain-

- Is the investment mixed use, or does it support establishment of a wider mix of uses amongst its surroundings?

Please Explain-

- Does the investment advance Parker Central's arts and cultural district niche?

Please Explain-

- Does the project advance the strategies for the Parker Central District?

1. Strengthen the positive image and recognition of downtown as a community asset?

Please Explain-

2. Activate existing public spaces and add new public spaces?

Please Explain-

3. Improve the quantity and distribution of parking spaces and parking impacts?

Please Explain-

4. Enhance public infrastructure that improve multi modal mobility and access?

Please Explain-

The following Application Requirements need to be included as attachments to the signed application.

1. Narrative Description of Development Concept: Provide a narrative description of the redevelopment, its size, nature and location of the proposed land uses, urban design and architecture.
2. Description of (Re)Development Team: Provide a narrative description of the project's team, including:
 - Key team members, along with contact information including email, telephone, names, and general description of redevelopment project responsibilities.
 - Decision makers among the project team, and who specifically the Authority would negotiate.
 - Key team members' relevant development experience.
 - Legal entity undertaking the redevelopment project, and the legal relationships between the redevelopment project team members.
 - Clearly describe the equity and / or fee nature of the redevelopment project team's investment and return expectations in the redevelopment project.
3. Conceptual Design: Provide a conceptual design which is generally consistent with applicable Town of Parker codes and standards. The conceptual design shall consist of drawings showing elevations and perspectives. Additional descriptions of color, material and size of structures, and landscaping along with renderings of the proposed redevelopment project are encouraged.
4. Redevelopment Project Pro Forma: The Applicant shall provide information in the form of a Summary Pro Forma to indicate the economic basis for the request. The purpose of this information is to demonstrate the economic feasibility of the proposed development and shall be in such detail as necessary to indicate feasibility relative to costs, income and any financial "gap". Proprietary financial information that the applicant determines to be confidential should be clearly identified. The Authority will provide a sample pro forma form that reflects the level of detailed information to be submitted. The pro forma information may vary depending on the nature and cause of the gap as described by the applicant. The applicant is expected to site the source and background supporting documentation used to develop the capitalization rate and vacancy rate. Following is a general list of the type of information that may be required; the Authority may require additional information to document a financial "gap":

Required information to be submitted within the Development Pro Forma*:	
Development Information & Redevelopment Project Costs	
<ul style="list-style-type: none"> • Development Square Feet (RSF, GSF) by use type • Floor Area Ratio • Project financing structure (senior debt, subordinate debt, equity structure, etc.) • Competent evidence of land value 	<ul style="list-style-type: none"> • Parking Cost • Hard Costs (incl. contingency) • Soft Costs • Operating Start-Up Costs • Financing and Carrying Costs • Total Project Cost (@ Build-Out)
Operating Revenues and Expenses	
<ul style="list-style-type: none"> • Rentable Square Feet • Efficiency Scheduled Gross Rent • Vacancy and Credit Loss 	<ul style="list-style-type: none"> • Effective Gross Income • Operating Expenses • Net Operating Income
Return Metrics, Financial Gap and Exit Information	
<ul style="list-style-type: none"> • Amount of Funding Assistance Request • Project Margin / Financial Gap (\$ and %) • Development team's return hurdle, target return, and relevant comparable information on return expectations. • Exit strategy assumptions (including cap rate, buyer profile, etc.) 	

**The pro forma should reflect metrics over time and should be submitted in *.xls electronic file format to facilitate the Authority's review. EXAMPLE ON PAGE 9.*

Other required information:

- Preliminary projections from the development team on the amount of incremental property taxes, sales taxes, or other revenues that will be generated by the redevelopment project and how that compares to the level of revenue necessary for the reimbursement of costs by the Authority.
- If available, letter of interest from potential tenants or buyers within the project.
- If available, letters of support from adjacent property owners, or other interested parties demonstrating community support for the proposed redevelopment project.

5. Financial Capacity of the (Re)Development Team:

- A description of the financial capability and capital resources of the project team to complete the project. Information provided must be in a form acceptable to the Authority, and may include documents such as:
 - Audited financial statements of an affiliate of the development team
 - References from lenders
 - Fund prospectus or offering statement
 - For publicly held entities: most recent 10K and 10Q forms
 - For LLCs, LLPs, S-Corporations or similar entity structures:
 - Last three years tax returns

- Member, partner, or shareholder financial statements (must exceed 66% of ownership of proposed redevelopment entity).

6. Project Timing:

- Construction Period
 - Include anticipated start date of construction.
 - Include antipated months until consturction complete.
- Anticipated Lease up/Stabilizaiton Period
- Disposition Assumptions - is there a plan to dispose of the site and timing of disposition.

7. Participating Interest:

- Provide proposed financial sharing arrangement with the Authority
 - Include both a method and specific proposed measurement approach.
 - May be calculated on annual cash flow, NOI after debt service, return on invested equity, etc.

Applicant Signature: _____ Date: _____

I attest that the information stated in this application is correct. By signing you acknowledge the following:

1. An incomplete application will be rejected and review will not begin until a complete application is received. 2. That there are review fees associated with this application and agrees to pay all review fees regardless of outcome of the application. 3. The submittal of an application if for a request for public participation and the Authority is not obligated to participate in the project.

Note: Information provided to the Authority may be a public record subject to public disclosure pursuant to the Colorado Open Records Act. Financial Information identified and marked as Confidential by the applicant may be exempt in accordance with the Colorado Open Records Act.

Any financial information submitted that the applicant desires to remain exempt from Colorado Open Records Act should be provided separately, bound and clearly marked as follows: "Confidential Commercial and Financial Information – Exempt From Public Disclosure in Accordance with the Colorado Open Records Act."

TIF Public Participation Application Review Fee Schedule :

The evaluation fee schedule is based on the typical project review, each project is unique and fees will be determined based on actual hourly rate of the third party review. The fees can be impacted by multiple revisions and incomplete information. P3 will provide an invoice to the applicant, all fees shall be paid by the applicant prior to approval of any Development/ Redevelopment Agreement.
