ABOUT JILL & ALLY

Mother-daughter duo Jill Zarin & Ally Shapiro are the founders behind the first-of-its kind crystal-embedded manifestation candles.

Jill & Ally Crystal Candles are designed to help manifest goals, build confidence, and boost productivity. Once your candle is finished burning, you are left with both a meaningful vessel and gorgeous keepsake crystals to aid in healing and manifesting. Generating a slow, clean burn that maximizes the power behind the crystals, they're ideal for bringing new energy and life into your space.

As a celebrity-founded brand, it is no surprise that they have a large and loyal following from Bachelor Nation stars to Bravolebrities and Influencers. A few notable fans include: Tinx, Remi Bader, Amanda Kloots, Lea Michele, Nikki Glaser, Sutton Foster, Rachel Lindsay, Tayshia Adams, Addison Rae, The D'amelio Family, Kris Jenner, Andy Cohen and of course Jill's former Real Housewife castmates.

Don't just take it from us! Throughout the years, Jill & Ally have received recognition from major publications including Forbes, People Magazine, TODAY, Good Morning America, E! News, WWD, US Weekly, and more.

Jill Zarin Love You, Mean It Manifestation Candle

Jill Zarin Love You, Mean It Manifestation Candle | JILL ZARIN

Moms equally obsessed with all things woo woo as *Housewives* will appreciate a gift design by original *Housewives of New York* cast member, Jill Zarin. *Love You, Mean It* candle is made from 100 percent soy wax and has a rose quartz crystal to help manifest love and compassion—two qualities that every mother can relate to. This candle has beautiful notes of hyacinth, violet leaf, pink rose, geranium, carnation, peony, and violet. Mom not into pink or rose quartz? That's okay. Jill Zarin has an entire line of manifestation candles with different intentions and crystals.
