Who’s Involved?

- Scientists Worldwide: Develop and test COVID-19 Vaccines through clinical trials and ensure effectiveness in people of all ages and backgrounds
- Federal Drug Administration (FDA): Approve COVID-19 vaccine for emergency use
- Centers for Disease Control (CDC) & Advisory Committee on Immunization Practices (ACIP): Set guidelines for use & distribution of the COVID-19 vaccine
- Wisconsin Department of Health Services (DHS) & State Disaster Medical Advisory Committee (SDMAC): Approve vaccinators, determine vaccine allotment, and provide guidance on vaccine priorities
- Health Emergency Readiness Coalition (HERC): Helps DHS and SDMAC connect with and ensure health sector awareness of COVID-19 vaccination process

Working Locally To Coordinate Covid-19 Vaccinators and Keeping Our Community Informed

- Unified Emergency Operations Center (UEOC): Coordinate and elevate a unified multi-sector public health response to COVID-19’s direct and indirect effects, with emphasis on affected vulnerable populations — in collaboration with key sectors in Milwaukee County
- COVID-19 Vaccine Coordinating Committee (CVCC): Develop, implement, monitor and continuously improve a coordinated, equitable COVID-19 vaccination plan for the residents of Milwaukee County
- Vaccine Integrated Communications & Outreach (VICO): Develop and maintain outreach communications strategies for general audiences and target populations that build trust, dispel myths, and provide timely updates on access, eligibility and other health resources
