

After analyzing data from the CDC and CovidActNow, the Regathering Steering Committee of All Souls has recommended that All Souls make masks optional beginning on **Sunday, April 3**. Until that date, please continue to wear your masks when attending services and indoor functions. ***We strongly suggest that all attending in-person worship be vaccinated and boosted against COVID-19.***

Please note that decisions regarding our mask policy are always subject to change depending on new variants of COVID-19.

The Cathedral is open for visitors

Monday, Wednesday-Friday, 9:00am - 4:00pm
