FUTURE TRIPS

An African proverb tells us if you want to go fast go alone, but if you want to go far then go together. Geese know this intuitively, which is why they fly in a V-formation. Scientists tell us that they can fly 72% farther when they fly together, because each goose in front of the other creates an up current, making it easier for the one following it to fly. They even honk to encourage one another!

Just like geese, sharing the Gospel goes better when we **partner** together.

In many of his letters, Paul spoke of the way people and churches partnered with him in prayer, serving, and giving.

It filled his heart with gratitude and joy.

He wrote:

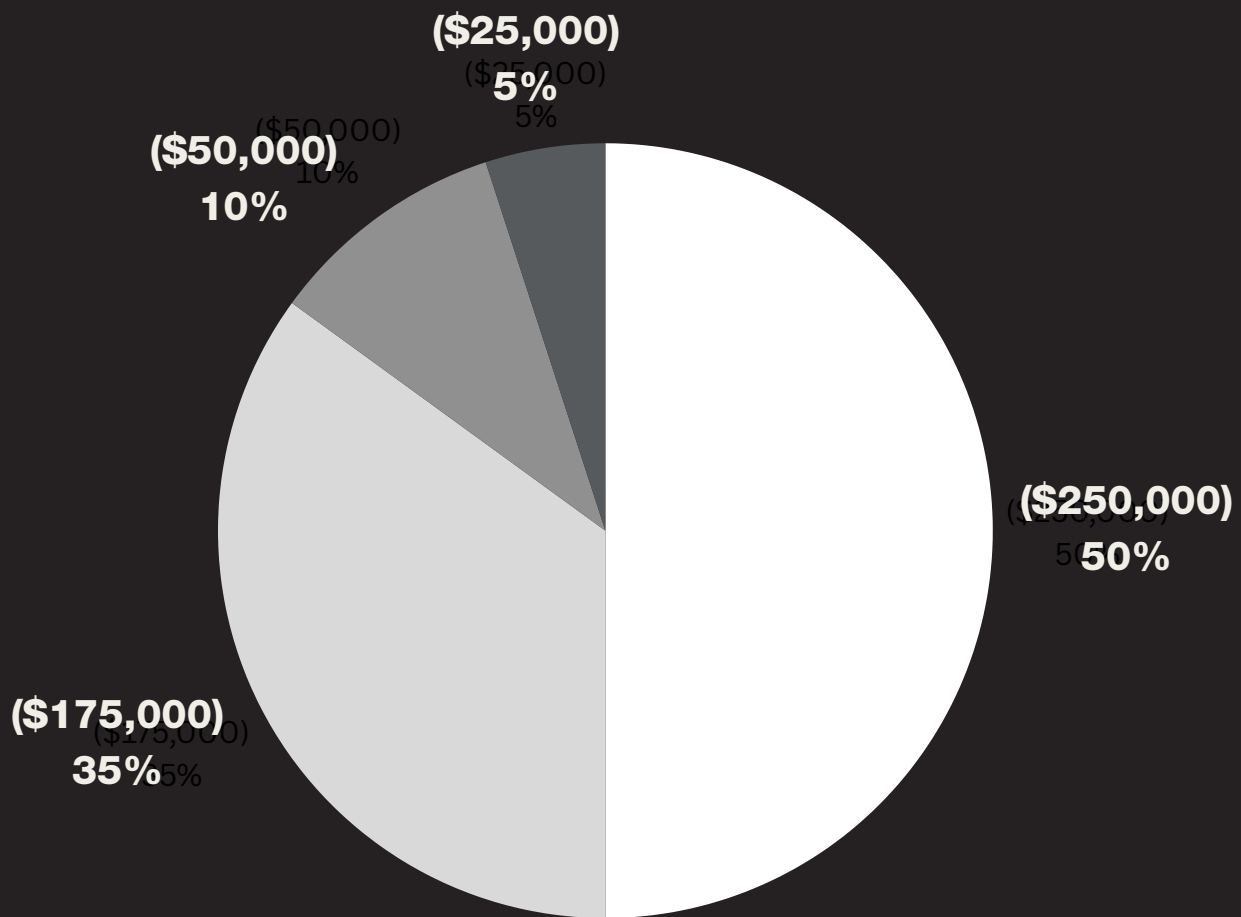

“Every time I think of you, I give thanks to my God. Whenever I pray, I make my requests for all of you with joy, for you have been my **partners** in spreading the Good News about Christ from the time you first heard it until now.” - Philippians 1:3-5

Kingdom Builders is about **partnership**. It's creating a rhythm of prayer to discern what the Holy Spirit is doing. It's working with global and local **partners** to see God's kingdom expand. It's cheerfully giving tithes and offerings in support of what God is doing in us and wants to do through us. It's a deeply held belief that we are better together.

Our commitment to **partnership** is a reflection of what the Holy Spirit is doing in our church. I would ask that as you open this project guide, that you do so with a prayerful heart, asking the Holy Spirit to speak to you—to open your eyes to see your community and the world in new way, to open your heart to be moved to action, and to open your hands to give generously so that the world may know a risen Christ.

We thank God for you,

Ricky & Shea Spindler

WAYS TO PARTNER

PRAYER

The mission of advancing the gospel is the greatest work of the church, and prayer is the engine that moves it.

GENEROSITY

Generosity is the natural response to God's grace. As we grow in grace, we grow in generosity.

SERVING

Our heart is to see every person at Stone Creek Church living on mission by serving our community and going on domestic and / or global trips.

ADVOCACY

We encourage every person to become an advocate for causes that are dear to our hearts by inviting others to be involved in something that is bigger than themselves.

AREAS OF FOCUS

Global & Local Partnerships

Perhaps our most substantial long-term impact is through our partnerships here at home and abroad. Our boots-on-the-ground co-laborers can adequately and accurately identify needs and determine solutions with local assets. Our monthly support ensures a consistent and constant impact.

Local Initiatives & Church Expansions

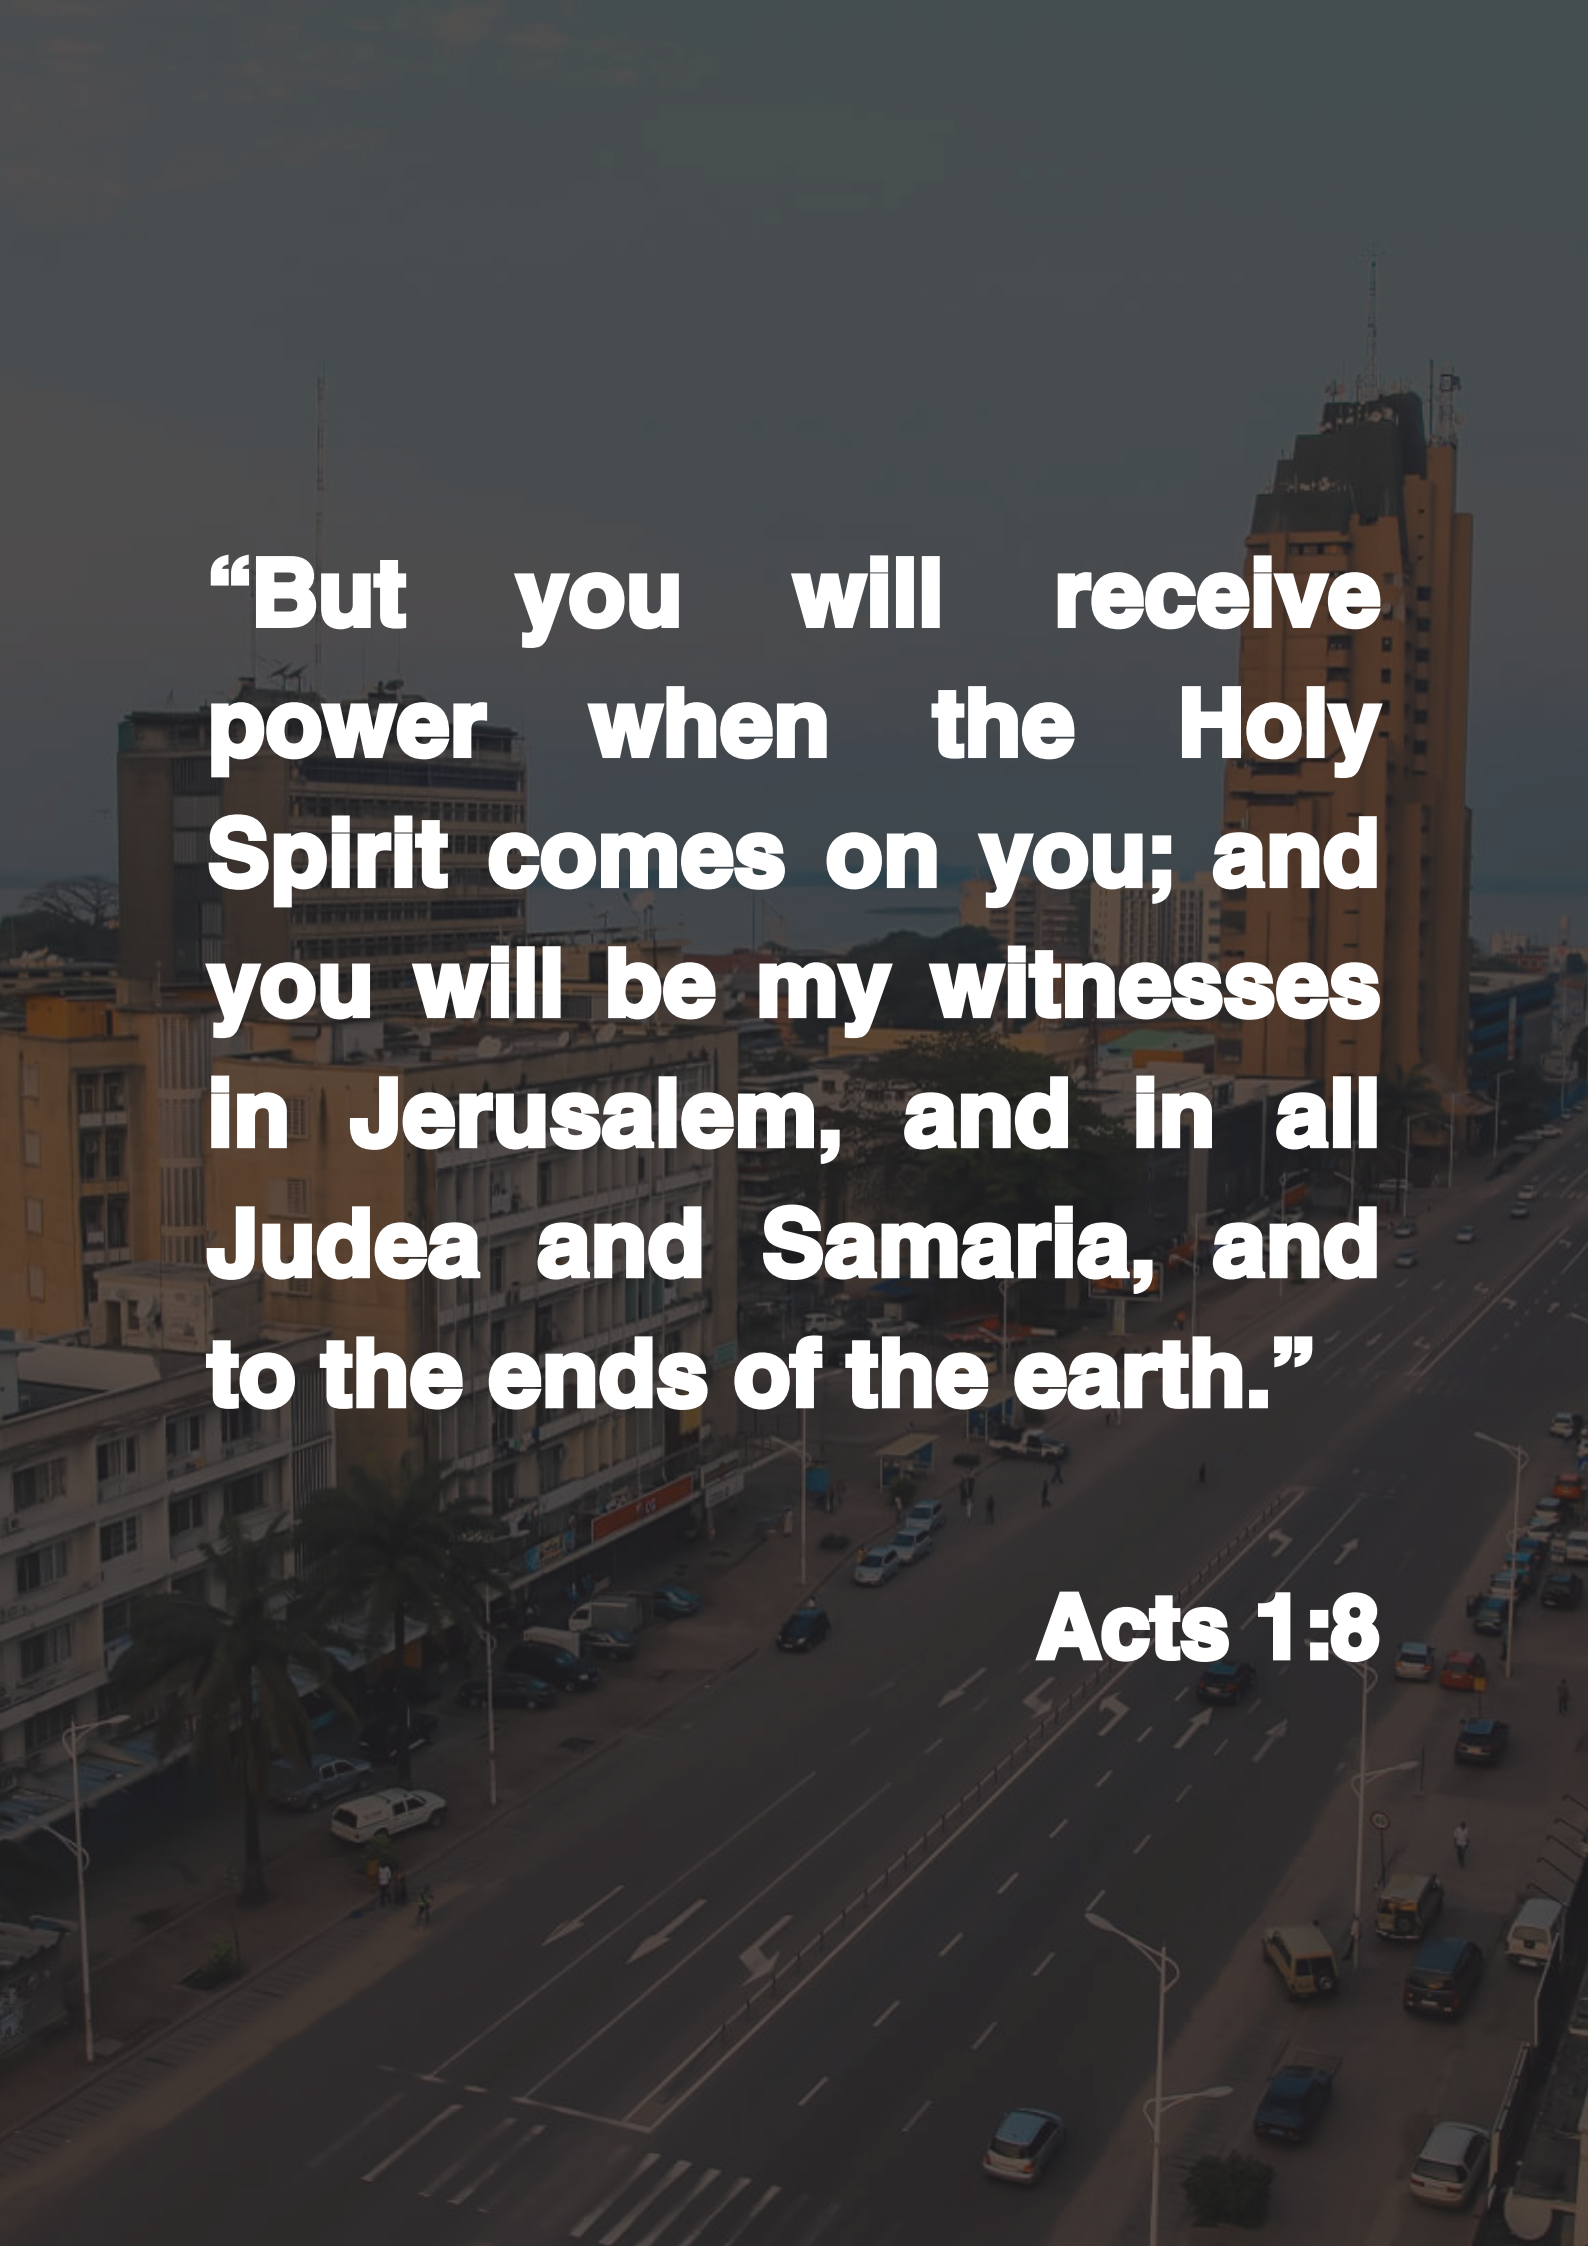

We also commit to our own backyard, serving our city and state. Our desire is to be a catalyst for compassion, church planting, and local church expansion here at home.

Global Initiatives

Each year we prayerfully determine key initiatives. Kingdom Builders allows us to invest strategically in three areas: care and rescue ministries, the next generation, and unreached people groups and church planting efforts.

Future & Legacy

We help empower up-and-coming leaders by providing opportunities, resources, and training for vocational ministry. Kingdom Builders provides tools they need to be all that God has called them to be.

An aerial, high-angle photograph of a wide city street, likely in a tropical or subtropical location given the presence of palm trees. The street is multi-laned with white directional arrows painted on the asphalt. Several cars are visible, including a white van and a yellow taxi. On the left side of the street, there are multi-story buildings, some with balconies and air conditioning units. A few palm trees are planted along the sidewalk. In the background, more buildings and a distant horizon are visible under a clear sky. The overall image has a slightly desaturated, muted color palette.

**“But you will receive
power when the Holy
Spirit comes on you; and
you will be my witnesses
in Jerusalem, and in all
Judea and Samaria, and
to the ends of the earth.”**

BLESSING & FLORENCE ADEOYE

The Cross of Christ Ministries, Nigeria

The Cross of Christ Ministries is a multidimensional, Bible-based ministry committed to the spiritual, emotional, and physical well-being of those in Akute, Nigeria. They share Christ's boundless love through programs and ministries, including a hospital, worship center, and an orphanage.

The Cross of Christ Orphanage serves the most vulnerable children in Nigeria. They build families for children in need, help them shape their own future, and share in the development of their communities. The orphanage provides shelter to orphaned children, and also works for their education and welfare.

Most of the staff are volunteers who help free of cost. The ministry is only possible through the financial sacrifice and generosity of our donors.

The Cross of Christ Healthcare exists to provide accessible, high-quality, comprehensive primary healthcare services. They are able to save lives through access to essential healthcare. The elevated mortality rates and the lack of available resources makes the healthcare system in Nigeria one of global concern. CCH cares for the whole person, offering an array of coordinated services to improve overall well-being and life circumstances.

The Cross of Christ Worship Center offers weekly worship services and special programs that include outreaches and prayer vigils. The center is an active participant in the local community, working to strengthen families and heal broken homes.

The Bread of Life Church, Ukraine

The Bread of Life church was founded in 2010 and is based in the city of Poltava in eastern Ukraine, and before the beginning of the war, we welcomed over 350 people each week. The church is the base for many programs.

A place of hope and healing, we view it as God's instrument to bring life, light, and change to the world. In response to the tremendous needs around us, we started programs to serve the people of our city, bringing hope and restoration to a region of Ukraine torn apart by war – refugee relief programs, hunger and homelessness relief programs, a drug and alcohol rehabilitation center, a school, summer camps, and the Night in Bethlehem production.

When the war began in Ukraine, we took our four children to safety in California and began to travel to Ukraine from the USA. We prayed, asking God to lead us in what we should do: should we stay in the United States or go back to Ukraine? As time passed, we sensed God leading us back to Ukraine to continue our work there.

Our work in Ukraine would not be possible without the amazing people of Poltava and our generous partners all over the world. Thank you for your support. May the Lord bless you!

CHARLES & KEHINDE MOODIE

City Life Center, Chicago

Charles and Kehinde Moodie left New York in July 2012 with their two sons, Joshua and Josiah, to minister in the Englewood neighborhood of Chicago. Englewood is known for its violence, drugs, and deep urban poverty - it is listed as one of the worst crime areas in the country. This is a community where babies die at four times the national rate and high school is the exception rather than the rule. The Moodies left New York with a call so loud it was deafening. Together with Chris and Monica DeLaurentis, they are reaching Englewood for Christ.

The background image shows a church building with a large, light-colored cross on its facade. In the foreground, there is a large, rough-hewn stone sign. The sign features four small icons in a 2x2 grid: a cross, a chalice, a dove, and a hand. To the right of these icons, the text reads "LIVING HOPE" in large letters, "FOURSQUARE" in smaller letters, and "CHURCH" in even smaller letters. Below "CHURCH" is a signature. The church building has a gabled roof and large windows. The overall scene is outdoors with some trees visible on the left and right.

“Come let us rebuild the walls and not live with disgrace any longer... They said, “We’re with you. Let’s get started.” They rolled up their sleeves, ready for the good work.”

LOCAL INITIATIVES

Dr. Preston Williams Elementary

Our partnership with Dr. Preston Williams Elementary School is a powerful opportunity to make a difference in the lives of both students and staff. Recently, we were able to renovate the teacher's lounge, creating a space of rest and renewal for the hardworking educators. One teacher, who has been there for over 20 years, said, "This is the nicest it's ever looked"—a testament to the love and care poured into the project.

In addition, our Back to School Bash was an incredible success! We had the privilege of serving over 300 families, helping their children connect with their teachers and kick off the school year with excitement. This partnership is more than just a project; it's about building lasting relationships and showing God's love through practical service. Let's continue to bring hope and transformation to this school and community!

LOCAL INITIATIVES

EAST URBANA

East Urbana is a community deeply in need of hope, healing, and transformation. As followers of Jesus, we are called to bring justice, reconciliation, and mercy to places like this. For years, we've been praying for an opportunity to make a real, lasting impact—and now, that moment has come. We've partnered with the Foursquare Movement to create a space where we can actively serve, love, and walk alongside our East Urbana neighbors.

This is more than just a project; it's a mission. Together, we can bring tangible change, build relationships, and help this community flourish. The possibilities are endless, and we are trusting the Holy Spirit to lead us in showing radical generosity and the love of Christ in every way possible. Let's be the hands and feet of Jesus in East Urbana—join us in this incredible journey!

EVERY GIFT MATTERS

Ready to be a part of something bigger? Joining Kingdom Builders means stepping into a faith-filled journey of raising \$500,000 that can transform lives and expand God's Kingdom. It's not about equal gifts, but equal sacrifice—where every contribution makes an impact.

Here's how you can jump in:

Start by making a plan. Set a giving goal and stick to it. Proverbs 21:5 reminds us that careful planning leads to abundance. Whatever amount you feel led to give, take that first step in faith.

Seek God's vision. Ask Him how He can work through your obedience. This isn't just a financial endeavor—it's a Kingdom mission that requires both faith and action. Write down what God puts on your heart (Habakkuk 2:2) and pray expectantly, trusting He will provide (Philippians 4:19).

Determine your gift. This is a personal decision between you and God. Dream big, because Ephesians 3:20 assures us that He can do immeasurably more than we can ask or imagine.

Every gift counts. Your part in this mission matters to God. So, make your plan, trust God with a bold vision, and watch Him do the rest!

Together, we're building His Kingdom—one step of faith at a time.
