

# Bookshop Talk with Julian Sayerer

## Turkiye: Cycling Through a Country's First Century

In *Turkiye: Cycling Through a Country's First Century*, Julian sets out to cycle across Turkiye, from the Aegean coast to the Armenian border. Meeting Turkish farmers and workers, Syrian refugees and Russians avoiding conscription, the journey brings to life a living, breathing, cultural tapestry of the place where Asia, Africa and Europe converge.

*"We need writers who will go all the way for a story and tell it with fire. Sayerer is a marvellous example"* **Horatio Clare**
