Rhode Island KIDS COUNT

\$350

"On behalf of Rhode Island KIDS COUNT, I would like to thank The Laurie Berkner Band and Twinkle Arts for Good for this generous contribution of \$350.00 that was raised by the Laurie Berkner Band concert. Your donation will be used to continue our work on behalf of the children of Rhode Island. As a children's policy and advocacy organization, Rhode Island KIDS COUNT provides information on child well-being, stimulates dialogue on children's issues and promotes accountability and action. Your support for these efforts is greatly appreciated and we thank you for contributing to our organization!"

For The Kids \$342

"Before I received the call that For The Kids had been chosen to be the nonprofit partner, I had no idea that anything like this existed. When Jenny explained it to me and said the Laurie Berkner Band wanted to donate a portion of ticket sales to For The Kids, I was blown away!

When I posted about it on our social media channels, I got so many people reaching out saying how much they LOVE the Laurie Berkner Band and how cool this partnership with Twinkle Arts For Good is!

When the concert date arrived I took my 8 year old daughter to sit at the For The Kids table with me. Having never been to one of their concerts I was not sure what to expect, but what we walked into was nothing short of a wonderland for kids of all ages! The colors and the music and the photo op station were all such a hit, and we were bopping from start to finish.

I cannot tell you how excited people were to find out that a percentage of their ticket purchase went to support For The Kids and the work we do to provide food and hope to children facing hunger in the local community. We made so many great new contacts and have even had a few new volunteers as a result of this networking opportunity.

We are so grateful for the funds that were donated and for the connections that were made at this event. The total is enough to provide 50 children with weekend meal kits, removing their worry of where their next meal is coming from.

Thank you so much to Jenny with Twinkle Arts For Good for all her hard work in making this happen. And thank you so much to the Laurie Berkner Band for caring about the communities where they perform. That is such a cool thing to witness and be a part of. We are so honored that we got to be on the receiving end of such a fantastic event."

"Wow! That's fantastic! Thank you so much! Little Shelter had a wonderful experience working with The Laurie Berkner Band and Twinkle at the Paramount in Huntington Village this year. We are grateful for the donations raised for the animals. This money will go towards spaying and neutering our cats and dogs which continues our mission to prevent overpopulation."

Los Angeles Neighborhood Land Trust

\$694

"With the generous donation of a percentage of ticket sales, Laurie Berkner and the Laurie Berkner Band helped to keep a much-needed community park and garden in South LA safe, healthy, and vibrant.

Garden beds were reinforced and prepped for new gardeners, seeds and seed starters were distributed to the community, the park and garden were maintained and watered and free programming such as art workshops and nutrition courses as well as musical and cultural performances were delivered. This generous donation helps to create a safe, green community hub with access to fresh food for residents hit hard by historic disinvestment."

-Michele McRae, Development Director, Los Angeles Neighborhood Land Trust

New Hampshire Children's Trust

\$1,160

"The New Hampshire Children's Trust is so appreciative of the support from Twinkle Arts for Good and Laurie Berkner for selecting us as the beneficiary of Laurie's two concerts at the Capitol Center for the Arts in Concord, NH this October. Not only did we receive an amazing donation of \$1,160 from ticket sales, we also were given the opportunity to be present at the concert and connect with families and children attending Laurie's show and share with them the work of NH Children's Trust. This support will help to strengthen families and build resilient communities across New Hampshire."
