Testimonials

“We have used Hawarden Estate to host two of our parties for MoneySupermarket staff. Good weather meant that both parties were able to take place outside utilising the grounds and facilities of the Farm Shop...We hired our own band that were situated in the tin shed, and the Team at the Estate worked with us to ensure the band had everything they needed... Drinks, food and fires were provided by the farm shop, and the quality of the food was unreal. The staff were really attentive both before and on the day.”

We have had so many of our colleagues say that both events were brilliant as there aren't many venues where you get to party, eat and dance outside ... it made for a really great atmosphere. We would not hesitate in recommending the Hawarden Estate and we're already planning our next event with the Team again.”

MONEYSUPERMARKET
who we worked with in 2021 and 2022

“TGLS provide a perfect level of laidback professionalism that makes working with them easy as pie. Exceptional service across the board.”

THE OUTSIDERS STORE
who we worked with in May 2022

“The Hawarden Estate was the perfect venue for the first chapter of First Camp, the venue worked brilliantly, the combination of well thought out and versatile indoor spaces for our workshops and the wonderful grounds for the campsite helped ensure all our customers had a great experience. What makes a venue is the people and we couldn't have held the event without Will, Tom and Xanthe's on-site help and expertise.”
