The annual Pedro’s Pig Roast will take place at Grand Haven City Beach on Saturday, Aug. 20, from noon to 7 p.m.

Pedro’s Pig Roast has been raising funds for local charities in the Grand Haven area since 2010. This year’s event will benefit The Momentum Center for Social Engagement, which provides a variety of programs centered around mental health and social engagement in the community.

The event is open to the public and includes food, live music, games for children, hula dancing and fun activities for all ages. A dove release is planned for approximately 1:30 p.m. as a symbol of remembrance, peace and hope for everyone.

“We look forward to gathering and supporting our community in a fun way,” said event organizer Pete “Pedro” Stalzer. “A great time is always had by all, and we are excited to support such a meaningful organization.”

The suggested food donation is $10 for adults, $5 for children and senior citizens, and nothing for ages 6 and younger.

After half the event expenses are covered, the remaining funds will be donated to this year’s charity. Additional donations may also be made during the event to directly support The Momentum Center.
