Take the opportunity to indulge in the unique, revered and rarely featured on many beverage lists. Most long since sought out due to limited release, single cask editions, exclusive cask maturations or experimental programs cellared by the Masters themselves.

Served tableside, sipped neat, poured over block cut ice or baptized with a splash of pure chilled water to enhance and evoke the flavours that dilution allows, or, as a Scotsman once told me, *"the only thing to put in a whiskey, is another whiskey!"*

Ardbeg Wee Beastie 5Yr	Islay	47.4%	13

Ardbeg's Wee Beastie is a youthful single malt drawn from a combination of ex-bourbon and Oloroso sherry casks, bottled up at five years of age. Peaty notes sit at the fore for this one, with oak somewhat taking a back seat, since... Well, y'know, it didn't stay inside those casks for too long. However, don't mistake that for meaning Wee Beastie is an uncomplex expression. It still packs a satisfying flavour profile that should impress many of the Ardbeg aficionados out there.
