Keep a poem in your pocket, so when you need it, I've got it. I keep a poem in my pocket, all the time. When I need a rhyme with book, *look!* *Okay, now it's your turn.* When you need a rhyme with page, *did you find one?* When you need a rhyme with fun, *I would have said hum.* When you need a rhyme with rocket, *pocket!* *Alright, all together now.* Keep a poem in your pocket, so when you need it, you've got it. Keep a poem in your pocket, all the time. When you need a rhyme! Keep a poem in your pocket.
