Merlot

Alargino Vineyard 2016

Color

Deep garnet color.

Nose

Pronounced aromas of black fruits including blackberry, black cherry, blueberry, then Kirsch, violet, cinnamon, cloves and vanilla. Ageing brings some tertiary aromas such as leather and tobacco.

Palate

A very complex but still balanced wine. Baked fruits and liquorice balance well with the dominant black fruits. Full body, low tannins, and long finish. Delicate but still expressive wine. After ageing, tertiary flavours such as prune, mushrooms and vegetal notes start to appear.

Dry wine, Alc.14 %
