Meander through Piccadilly Valley with vines, market gardens and rolling hills.

### Details

Start in the main street in Crafers. Opposite the Crafers Hotel walk up Cox Place alongside the service station. Now follow the light blue trail signs as it meanders along back streets, trails and through Cleland Conservation Park.

At the 2.3km mark the loop junction joins the track to Mt Lofty summit. Make sure you turn right at this point. This trail and the Waterfall Gully trail meet at a junction 3.8km in - take the severe switchback trail on the right onto Steub Trail.

Decide if you wish to visit the summit which on a clear day has extensive views of Adelaide or stop at the visitor centre and cafe. At the entrance to Mt Lofty take the Heysen Trail to the Warre track on the eastern side. This comes out on Mt Lofty Summit Rd. Follow the path along the left (west) side of the road. Turn right onto Gores Road and continue downhill over Sprigg Rd until Piccadilly Rd. Turn left.

At the 9km mark walk up the disused road to Bonython Rd and down the other side. Climb the stiles to access the public road - keep to the fence as there is often animal stock. Walk up Drivers Rd, turn right onto Greenhill Road and follow the footpath to Uraidla to enjoy the pub, cafe, pizza or bakery.
