

<p>7/15/2021</p>	<p>Hi, to whom it concerns,</p> <p>I'm Xuening, a current resident in 1927 Hillman Ave, Belmont. I'm petitioning to build a mini park within walking distance. Our daughter Erica was born last August and is eager to learn to walk. As she gains mobility, the need for outdoor spaces for kids to play safely greatly increased.</p> <p>Most areas in Belmont have a playground within 10 mins walk, however, residences near us are underserved. A park at the top of Oak Knoll Drive could benefit tens/hundreds of residents nearby and I'm looking forward to hearing back.</p> <p>Best, Xuening</p>	<p>Xuening Liu</p>

<p>7/22/2021</p>	<p>Hello to the friendly folks in the Belmont Planning Commission!</p> <p>My wife and I and our two kids (ages 3 and 9 months) moved to 1904 Oak Knoll Dr in May of this year. One of our neighbors recently mentioned that there was a petition for adding a small park at the top of Oak Knoll Dr. I would like to voice my support for the petition.</p> <p>Currently, I've been alternating between Twin Pines and Beresford Park to reach a playground where my kids can play. The closest park to us seems to be Patricia Wharton Park. While beautiful and well-maintained, it's rather small and suitable for only sitting. Having a park with a playground in walking distance for our neighborhood would be great!</p> <p>Thanks,</p> <p>Jason Wang</p>	<p>Jason Wang</p>
<p>7/25/2021</p>	<p>Hi all,</p> <p>I'm a homeowner at 1903 Hillman Ave here in Belmont.</p> <p>Our family (Joe Sexton, age 37; Abbye Sexton, age 38; and Jack Sexton, age 14 months) is excited very excited about the prospect of the mini-park at the top of Oak Knoll Drive. It would be so fun to have a walkable park where our son Jack could play and meet more neighborhood kids!</p> <p>Best,</p> <p>Joe</p>	<p>Joe Sexton</p>

Dear Belmont Belmont,

As a local resident, someone who is concerned with wildlife and wilderness protection, and a supporter of In Defense of Animals, I am writing to urge you to prioritize the protection of wildlife and habitat at Waterdog Lake & Open Space in the PROS Master Plan.

Belmont offers many recreational opportunities, but Waterdog is its primary natural open space, and only by prioritizing protection over recreation will we leave future generations of all species the same beautiful and essential wild land we witness today.

While opportunities for outdoor recreation and simply being able to enjoy nature are important, with increasingly little habitat in the Bay Area, this open space is critical for wildlife, and provides an invaluable and much-needed corridor that many species rely on and benefit from.

Protecting spaces like this is also important to residents, who see and respect the value of conserving natural spaces and habitat; Belmont and San Francisco Bay Area residents care about the environment, and they care about protecting wildlife.

If the area is given over further to recreational purposes, it will cease to function as it should. I am also extremely concerned that trails will be further opened here to mountain bikers, who have been damaging trails and running over wild animals.

I sincerely hope you will put conservation first when planning the future of this open space, and prioritize the need to protect it over development.

Thank you for your kind consideration of this urgent matter.

Sincerely,
