PASSPORT

Locate all 150 geocaches, and their secret code words, hidden around Aotearoa New Zealand

The Ministry of Education invites you to take part in the second Tuia Mātauranga GeoTour, Pōkai Whenua.

Isolated for millions of years, Aotearoa New Zealand developed into a beautiful archipelago with beaches, rivers and lakes, mountains and plains. Unique animals and plants made this land home. A land rich in resources.

Over the past thousand years fearless human exploration sought understanding and knowledge of the new land. With settlement came impacts.

Follow in the footsteps of early explorers of Aotearoa taking you to places where leaders of the past searched for food, resources and ways to adapt and survive. Let Pōkai Whenua become your classroom as you explore the stories of the past, in the present, to preserve what is unique in Aotearoa New Zealand for the future.

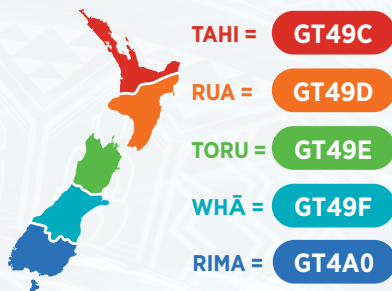

Start your exploration today!

How to play

Downloading the App:

- » Go to **geocaching.com** and sign up for a free account.
- » Download the Geocaching® app to your smartphone.
- » Search by **GeoTour** and enter the code (below) for the tour section you want to explore:

Using the App & finding caches:

- » **Check out the GeoTour map and start finding caches in your region.**
- » **When you locate a cache write the 'code word'** (attached to the cache container) into this passport (pages 3-5) next to the cache's GC code number.
- » **Put everything back in the cache** exactly where you found it for the next player to find. **DO NOT take the cache with you.**
- » **Record your find in the Geocaching® app.** You will receive a smiley face 😊 marking your find. You will automatically receive a digital souvenir once you find all the caches in a section.

Collectables & souvenirs

Collect all 150 geocaches to complete the Pōkai Whenua GeoTour and you can earn all six limited edition collector coins and 13 collector badges.

Limited edition collector coins*:

- » **Locate ALL the caches in a 'Section' to receive the collector coin for that section.** The tour has five sections (tahi, rua, toru, whā, and rima) to explore.
- » **The six limited edition collector coins** complete a puzzle picture of Aotearoa New Zealand. See the following page for more information.

Collector badges:

- » **If you locate ALL the caches in an 'Area' you will receive a geotour badge.** Each area has 11-13 caches to find, except for Stewart Island which has 4.

Limited edition collector coin holder*:

- » **A limited edition coin holder** will be sent out to those that complete the full Pōkai Whenua GeoTour to display your collector coins.

Digital souvenirs:

- » You will receive a digital souvenir for each GeoTour section you complete.

How to get your collectables & souvenirs:

- 1 Enter all your code words in this passport.
For the BONUS COIN: Visit Te Punga a Māui (Stewart Island), locate the four caches and get your passport STAMPED to record your visit.
- 2 Email your completed original passport to **tuia@education.govt.nz**. You can do this for each completed 'Area' or 'Section'.
- 3 Once the code words and stamps are checked and confirmed your special Pōkai Whenua GeoTour coin(s) or badge(s) will be posted to your nominated New Zealand address.

* One GeoTour coin/coin set per username and entry. Only 150 sets of coins and coin holders, and 100 bonus coins available. There will be a notification on the Geocaching® page and the tuiaeducation.org.nz website when collectables are no longer available.
