

Tuia Mātauranga GeoTour

PASSPORT

How to play

Downloading the App

- 1 Go to www.geocaching.com and sign up for an account for free.
- 2 Download the Geocaching® app for your smartphone or load coordinates in your GPS from Geocaching.com.
- 3 Then you can search for GeoTours and enter GT48A (Tuia Mātauranga GeoTour)
- 4 You won't need a Premium Geocaching® app for this GeoTour, but there are plenty of other great caches to explore. Collect free trial vouchers from the Tuia Mātauranga roadshow truck

Using the App

- 5 Check out the map and start finding caches in your region, or you might want to plan trips away to collect them all.
- 6 Record the code word, attached to cache container, next to the Tuia Mātauranga GC code number in this passport grid.
- 7 Put everything back in the cache and put it exactly where you found it. DO NOT take the cache with you.
- 8 Record your find on Geocaching.com to receive a smiley face marking your find.

Rewards!

- 9 Collect 90 of the 100 Tuia Mātauranga geocaches to qualify for the GeoTour coin.
- 10 Once you have located 90 of the Tuia Mātauranga geocaches, and noted down the code words, you can collect the limited edition GeoTour coin. Only 200 of these have been produced, so get started as soon as you can so you don't miss out!
- 11 Email your completed original passport to tuia@education.govt.nz. Once checked with Geocaching®, and confirmed as correct, your special Tuia Mātauranga GeoTour coin will be posted to your nominated New Zealand address. One GeoTour coin per username and entry.
- 12 Please note that once the supply of the GeoTour coins has been exhausted, we will post a notification on the Geocaching® page.

Take part in the Tuia Mātauranga GeoTour - the first of its kind in Aotearoa New Zealand. Collect 90 unique code words to earn your limited edition Tuia Mātauranga GeoTour coin.

100 Tuia Mātauranga caches around this beautiful archipelago with beaches, rivers and lakes, mountains and plains have a secret code word located in/on the cache. You need to collect 90 to qualify for the Tuia Mātauranga GeoTour coin.

Interested in collectables?

If you are interested in collecting mementos of your trek around Aotearoa New Zealand, visit the Tuia Mātauranga roadshow (Oct to Dec 2019) to collect Tuia Mātauranga regional badges. See our website for roadshow locations, dates and operating times – www.tuiaeducation.org.nz.

You must collect 6 regional cache code words from the same region to qualify for a badge for that region. You can collect regional badges from any roadshow event, as long as you have the code words.

To collect a **bonus badge**, solve the Tuia Mātauranga Roadshow cache code sentence, located in the Truck.

Download the Activity booklet from our website to get you started, and look out for this Kuaka symbol when you are in the Truck (NB: this is not an official Geocache).

Record the Tuia Mātauranga codes in this Passport
