I. Membership
   a. Number of Members: 3
   b. Officers
      President: Casey Murray
      Vice President: Olivia Markham
      Secretary/Treasurer: N/A
      Advisor: Dr. Matthew DiMaggio
   c. Subunit’s Recommendation for $250 Travel Award to Aquaculture America\(^1\)
      We are still working on finalizing the travel award recipient for this year.

II. Chapter Activities and Events
   • 3 members participated in a fundraising event held at the Tropical Aquaculture Laboratory that resulted in over $300 of funds raised.

III. Chapter Changes from previous year (if applicable)

IV. Chapter Struggles/Concerns or areas for improvement
   The gator student subunit has been relatively inactive since the start 2020 due to all of its committee members graduating at once and the subsequent shut down due to the pandemic. Student interest at UF was gauged at the beginning of 2021, and very few students responded. However, with the aquaculture program gaining interest at UF, we would like to get the subunit back up and running again this year.

VI. Treasurer’s Report
   Current funds: $706

---

\(^1\) From the USAS Procedures and Policies: “Each year, up to four (4) USAS student subunits will be provided with matching funds from USAS to support travel to the Annual Conference. USAS (or industry partner) will provide up to $250 in matching funds per subunit ($1,000 total annual commitment). Each subunit will select one (1) student based on merit. Travel award recipients will be selected by the subunit. Each subunit may develop its own selection criteria but we suggest that priority be given to the following: 1. Is the student presenting or bringing a poster? 2. Does the student have other travel funds available? 3. Has the student contributed to the subunit and/or USAS overall (i.e., subunit officer, activities etc.)? 4. Has the student previously received funds from USAS? 5. In addition, subunits may elect to use an abstract competition.”
