The AC-5812 is a quality stereo headset built from the ground up, perfect for today's demanding classrooms. The CTIA compatible, 4 barrel 3.5mm jack and audio cable can be detached from the USB controller for an additional connection option to smartphones, tablets, and more. Or use the USB plug with controller for convenient in-line volume, mic and speaker mute access.

Compatible with any USB equipped device:

- Laptops, PCs, Macs, and Chromebooks
- Microsoft Surface, and USB equipped tablets and computers
