## Features

- **Dual 4k Display Support**

The CA Essential Docking Station supports dual 4k Display so you're never held back from using the best.

- **Single USB-C Connection**

Easy, single USB-C connection charges and syncs to your laptop while minimizing cables.

- **4 USB Type A Ports**

We made sure that you've got plenty of ports so you can always have enough plugs for everything you need.

- **Integrated Active Cooling Fan**

The integrated active cooling fan keeps your laptop cool for peak performance. Featuring 3 different fan speeds so you can always stay cool.

- **90Watt Power Delivery**

High power delivery allows for quick charging and keeps your laptop powered on while you work, stream, or play.
