The CA Essential Universal Docking Station is a compact versatile USB-C docking station for your laptop. Organize your workspace, power your laptop and connect all your peripherals with a single USB-C cable. The docking station is compatible with laptops that have USB-C or Thunderbolt 3 ports.

Complete connectivity with DisplayLink technology to support simultaneous triple 4K HDMI monitor displays with Windows 10, Windows 11 or Mac OS, four USB-A 3.2 Gen 2 ports, and two USB-C 3.2 Gen 2 ports, RJ-45 Gigabit Ethernet port, integrated security K-Slot (lock cable not included).

Charge your laptop with the CA Essential Universal Docking Station when connected via the USB-C cable. The included 130 watt dual voltage power adapter provides enough power for the docking station and 90 watt power delivery to power and charge your laptop.
