

School Uniforms Letter

The Laurel School crested uniforms will be required for children in Preschool, Kindergarten & Grades 1-3 this upcoming school year. For parents new to uniforms, this is a wonderful way for children to be unified.

How Uniforms Work at Laurel

Preschool

Students wear the same type of uniform each day, there are many options available.

Kindergarten - Grade 3

Students in these grades wear uniforms based on the specific days:

- Dress Uniform Day (2 times/week)
- Gym Uniform Day (3 times/week)

Parents will be given time to purchase the pieces even after the first day of school, by mid-September children should have acquired all necessary uniform pieces.

We encourage parents to purchase pieces as soon as possible, as there may not be enough stock in the store and pieces may need to be ordered which take several weeks.

What Pieces Should I Buy?

At Laurel we are flexible, **but children are required to have crested uniform pieces visible at all times**. The requirement for each grades uniform pieces is posted on our website under "Current Students & Parents." Here are some examples:
