

Modern Calligraphy + Brush Lettering

SHOPPING LIST

Let's Go Shopping!

So you need some calligraphy supplies for your workshop? Or maybe just to restock your lettering inventory? I'll show you what to get!

You're excited to get your supplies for your workshop or just ran out of supplies...you walk into Hobby Lobby...and immediately feel overwhelmed! (I know the feeling!)

Use the attached lists to TAKE WITH YOU to know EXACTLY what supplies to get at your local craft store. The list provides my top recommendations and then a couple alternatives to choose from. You only need at least one of each category.

If you have signed up for a workshop and are having a hard time finding the right supplies, feel free to send me an email or DM and I'll get back to you as soon as I can!

Amanda xoxo
