

The SEED School of Maryland

Home-School Compact: A partnership between Families & SEED MD

Student

As a SEED MD Student, I commit to:

- Taking my learning seriously
- Attending after school supports
- Uphold our policies & procedures
- Asking for help & communicating
- Bringing all needed materials
- Displaying a positive attitude
- Show respect for all community members
- Fulfill service learning hours

Parent-Family

As a SEED MD parent, I commit to:

- Advocate for my scholar's educational rights
- Provide materials needed to reside on campus
- Attending school-wide parent-guardian meetings and events
- Partnering with SEED MD staff for the whole-child development my scholar
- Learning about my child's academic progress

School

As a college preparatory program, we commit to:

- Providing two-way communication between home and school
- Modeling and teaching a behavior management systems that build our scholars' soft and hard skills
- Ensuring excellent customer service to our students and families through multiple forms of communication
- Partnering with support staff to provide whole-child development and student achievement
