INTERSECTIONALITY

a fun guide

this is Bob.

Bob is a stripey blue triangle.

AND SHOULD BE PROUD.

yay! me!

SADLY SOME PEOPLE DO NOT LIKE Bob. Bob faces oppression for being a triangle, and for having stripes.

LUCKILY, THERE ARE LIBERATION GROUPS!

BUT THEY AREN'T INTERSECTONAL.

SO THEY LOOK LIKE THIS

they don't talk to each other.
in fact, they compete.

Bob can't work out where to go.

Omg, am I more stripe or triangle?

Bob wishes that the triangles and stripes could work together.

intersectionality is the belief that oppressions are interlinked and cannot be solved alone.

Oppressions are not isolated.

intersectionality now!
