

## CANDIDATE STATEMENT

I Harsharandeep Singh Boparai (300205893), currently pursuing my studies in business administration diploma. I would want to put my name forward to be considered for the position of Vice-president students for term 2023-24. I have always had strong interest in politics as I have been raised in a political environment since childhood. ~~had~~ As my father was head of the village back in India. So, I always had keen interest in politics and government.

My experience with politics has led me to believe that running for office at UFV is the ideal setting in which I can show my abilities. In my capacity as Vice-president, I will do all in my power to find a solution to the difficulties that the student are facing.
