About me:

Hello everyone! My name is Gabriella Wertheimer and I'm a second year in Political Science student. I've been involved in UFV since my first month of university, when I started working with engagement in the International Department. I had the opportunity of organizing and hosting dozens of events while meeting the amazing UFV community.

About me:

Running for the position of SUS Vice President-Students I plan on continuously growing the engagement in university life and having an atmosphere through the students perspectives.

My Plan:

“
My goals as VPS is to create a stronger sense of community and engagement opportunities for all students interests.”

Focus:

- ”
- Have a second Kick-Back for winter semester
 - Physical space for clubs and associations + spotlight of the week
 - Crafts week before exams weeks
 - Cultural diverse events

Why me?

If you vote for me I'll create a more lively campus. Continue growing and shaping what it means to be a student at UFV. Making sure that every student gets heard and helps shape this active community.
