**SUS VICE PRESIDENT INTERNAL**

# ABOUT ME

---

Hi everyone,

My name is Alana. I enrolled at UFV in 2020. I'm a third-year student majoring in Political Science with a minor in Economics. I'm running for SUS Vice President Internal because I believe I have what it takes to advocate for students, so they get the best experience possible here at UFV.

When I'm not at school, studying, or at work (which is not often), I like to cook, go to the gym, and go out with my friends. I'm a hard worker, I'm determined, and I'm very direct.

# MY GOALS

---

As Vice President Internal, I would be working with the rest of the executive to advocate for students' interests and foster the best culture possible here on campus.

University is a big step for a lot of people, and I want to make sure students have the help and support they need to both do well and have a good experience here at UFV.

I'm from Chilliwack, and so I'd love to build a greater SUS presence on UFV's campuses outside of Abbotsford.

# WHY ME?

---

I've always had an interest in governance.

When I was nine years old, I made my parents sell their house and move just for me to enroll in French Immersion so I could go into politics one day. Put simply, I am good at getting things done.
