About Women in Medicine (WIM) Summit
An Evolution of Empowerment

The WIM Summit is a conference designed to amplify the lives of women and allies in healthcare and work towards achieving gender parity through: skills development, action plans, opportunities for thought leadership, professional growth, education, empowerment, and community building.

About Women in Medicine®

Women in Medicine® (“WIM”) is a 501(c)(3) organization dedicated to educating, informing, imparting skills and empowering women in healthcare to combat, close and eliminate the inequitable gender gap. Specifically, WIM offers lectures, webinars, breakout sessions and workshops, resources, evidence-based research and amplification of equity initiatives on a web platform and in group settings allowing women in healthcare to not only learn the various ways they can effectively address the inequitable treatment of women in medicine but also to connect, collaborate and support each other.

Increase your attendee exposure through this customized incentive to drive booth traffic - the “Passport to Prizes” contest! Participating companies will receive additional recognition on the conference app and website.

How the Game Works

• Attendee will receive a passport book in their registration packet which will include the participating sponsor names.
• Attendees will visit and obtain a sticker from ALL exhibitors listed in their passport book. Once all stickers have been collected, passport books can be deposited into a drop-box located at the WIM registration desk.
• Passport books turned in prior to the daily drawing will be eligible for a series of prize drawings for that day. Participants are eligible for all drawings that day until their book is drawn; only one prize per participant. Only one passport book per registered attendee will be accepted as a valid entry. All contact information must be completed on the attendee passport to be eligible for the prize drawing.
• Winners will connect with the conference organizers at the WIM registration table to claim their prize.
• Exhibitors are not eligible to win. Prizes are not redeemable for cash.

1. Arrangements for commercial exhibits or advertisements cannot influence the planning or interfere with the presentation; nor can they be a condition of the provision of commercial support for CE activities.

2. Product-promotion material or product-specific advertisement of any type is prohibited in or during CE activities. The juxtaposition of editorial and advertising material on the same products or subjects must be avoided. Live (staffed exhibits, presentations) or enduring (printed or electronic advertisements) promotion activities must be kept separate from CE.

3. For live, face-to-face CE, advertisements and promotional materials cannot be displayed or distributed in the educational space immediately before, during, or after a CE Event. Exhibiting Company cannot engage in sales or promotional activities while in the space or place of the CE Event.

4. Educational materials that are a part of a CE activity, such as slides, abstracts and handouts, cannot contain any advertising, trade name or a product-group message.

The parties further agree to the following terms and conditions:

1. Exhibiting Company will not display its exhibit in the same room or general vicinity of the CE Event.

2. Exhibiting Company shall not sublet, assign or share any part of the exhibit space.

3. Exhibiting Company is responsible for installation and removal of exhibits from the CE Event, during such times as designated by, and in the manner designated by, UIC.

4. UIC reserves the right to rearrange any CE Event exhibit area floor space and relocate any exhibitor’s space.

5. Prohibited or unethical conduct will subject the Exhibiting Company to dismissal from the CE Event and the CE Event premises. In addition the Exhibiting Company will be deemed to have forfeited all exhibit space fees and any other fees paid by the Exhibiting Company.

6. The Exhibiting Company assumes entire responsibility and liability for losses, damages and claims arising out of injury or damage to Exhibiting Company’s displays, equipment and other property brought upon the CE Event premises. Exhibiting Company shall release, indemnify and hold UIC, its Trustees, officers, administration, faculty, employees, students, agents and representatives harmless from and against any and all actual or threatened liabilities, claims, suits, actions, damages, settlements, costs and expenses incurred by or claimed against RUMC, including reasonable attorneys’ fees, arising out of injuries to persons, damages to property or other claims by third parties relating to the actions, errors and/or omissions in connection with Exhibiting Company’s presence on the CE Event premises, use of exhibit space or the conduct of Exhibiting Company or its employees or contractors, notwithstanding any negligence that might be alleged against or attributed to, UIC or any person indemnified hereunder. Notwithstanding anything to the contrary, in no event shall UIC’s liability for any damages whatsoever exceed the amount paid by Exhibiting Company to UIC under this Agreement.
7. This Agreement may be terminated without penalty for any one or more of such reasons by written notice from UIC.

9. This Agreement shall be construed and enforced in accordance with the substantive laws of the State of Illinois, without regard to Illinois’s conflict law provisions. Venue for any dispute under this Agreement shall be in the federal and state courts located in Chicago, Illinois.

10. Each provision of this Agreement is considered severable from all other provisions. If any provision of this Agreement is found to be illegal or invalid, in whole or in part, such illegality or invalidity shall not affect any other provision of this Agreement.
