HELLO FROM me

hey friend,

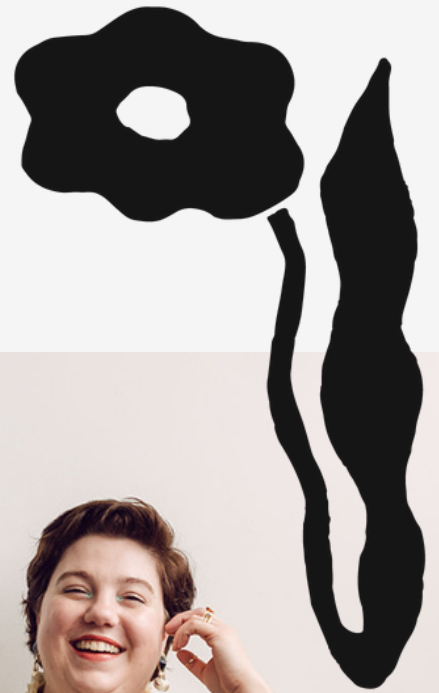

If you don't know me, here I am! I'm a body affirming, trauma-informed photographer who specializes in intimate portraiture and therapeutic photography experiences.

If you haven't already figured it out, I love what I do sooooo much and can't wait to uplift and celebrate you during this amazing experience. I'll be there every step of the way, supporting and guiding you through your session.

Read through this packet to decide which session type and package is right for you!

XO, DEVON

Devon Dadoly (she/they)

PAYMENTS + PLANS

deposits

a \$75 non-refundable deposit is due at the time of booking in order to secure your session date and time.

payment balance

you will be invoiced separately for the session balance and the invoice will reflect your \$75 deposit as paid.

payment plans

Payment plans can be split into up to 5 individual payments of your choice (equally split, etc.) and there are two options for completing payment:

OPTION 1 • COMPLETING PAYMENT BEFORE YOUR SESSION

If you have selected a payment plan that is completed before your session, I begin editing the photos within 48 hours. From there, it is a 4-6 week turnaround time to receive your full edited gallery.

OPTION 2 • COMPLETING PAYMENT PLAN AFTER SESSION

If you have selected a payment plan that extends past your session date, then I do not begin editing the photos until full payment has been received. After that, there is a 4-6 week turnaround time to receive your full edited gallery.

taxes + fees

all sessions are subject to 6% Pennsylvania sales tax

all session packages include

private studio time

all sessions take place in the midway arts building in coatesville, pa. Outdoor or non-studio sessions are by request only and require a travel fee.

two outfits

I have no rules in my space or expectations about what folks can/can't wear during their sessions! This time is for you to express yourself. Bring what makes you feel excited. I do not provide wardrobe for sessions.

instant film images

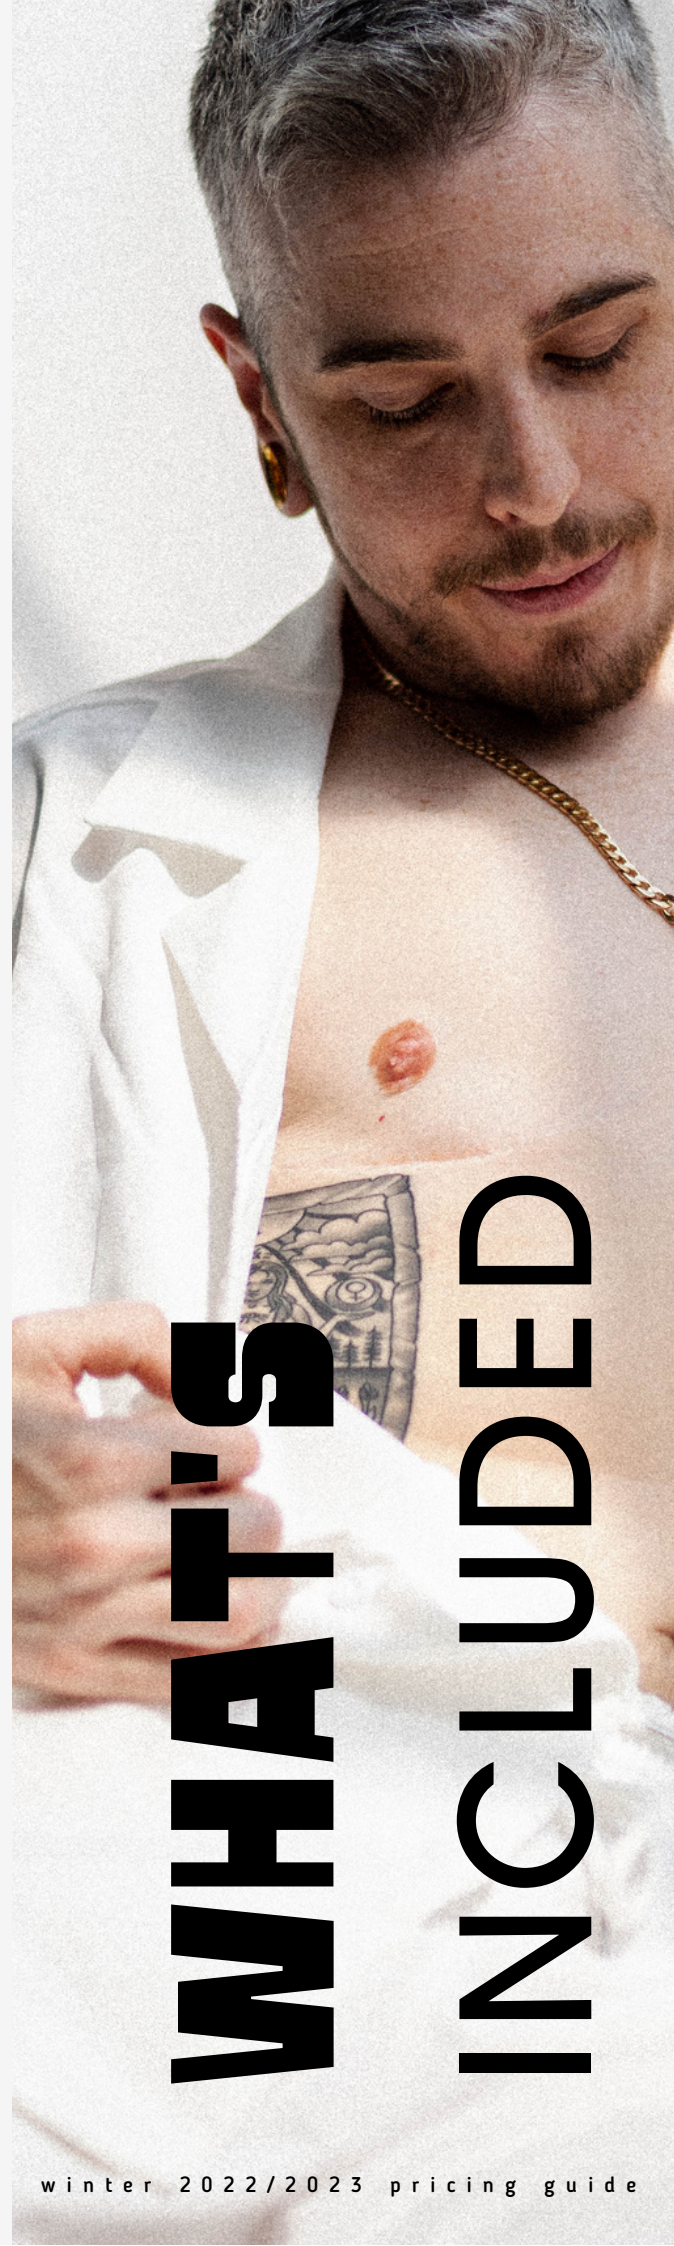

instant film type and color will depend on film availability at the time of your session. I use a Polaroid Now+ for all instant film images.

all edited images

The full digital gallery of edited images is included in every session package. You'll receive your finished images within 2-4 weeks of your session in a private, password protected gallery. All digital files will be available for download in both hi-res and web-size formats.

custom printing

Your gallery includes a print shop filled with amazing customizable products that ship directly to your door.
