- Brenna Weir
 - Location: Port Crane, NY 13833-1410
 - Primary phone: 607-427-9811
 - Primary email: brennaweir@yahoo.com
 - Professional discipline/qualified personnel: Speech Language Pathologist
 - Languages: English
 - Special populations served: Apraxia, Auditory Processing Disorder, Autism/PDD, Cerebral Palsy, Communication Disorders, Down Syndrome, Dyspraxia, Fetal Alcohol Syndrome, Hearing Loss, Medically Complex, Mental Retardation, Motor Disorders, Prematurity, Psychiatric/Behavioral/Emotional Disorders, Seizure Disorders, Sensory Integration Disorders, Traumatic Brain Injury, Vision Impairments
 - Experience: 10-15 years
 - Mission: I'm a speech-language pathologist primarily focused on enhancing the lives of young children by teaching them how to communicate. I have been working with children birth

through 5 for the past 13 years. I've worked with children who present with minimal words, have difficulties being understood, as well as children who require the use of communication systems because natural speech is not sufficient to meet a child's communication needs.

- Colleen Breen Williams: First Steps Physical Therapy PC

■ Special Programs, Inc. dba Little Lukes

- Address: 159 W 1st St, Oswego, NY 13126-2045
- Primary phone: 315-342-9575
- Primary email: ed@littlelukes.com
- Professional discipline/qualified personnel: Occupational Therapist, Occupational Therapist Assistant, Physical Therapist, School Psychologist, Speech Language Pathologist, Teacher of Blind and Partially Sighted, Teacher of Blind and Visually Impaired, Teacher of Deaf and Hard of Hearing, Teacher of Deaf and Hearing Impaired, Teacher of Special Education, Teacher of Speech and Hearing Handicapped, Teacher of Speech and Language Disabilities, Teacher of Students with Disabilities (Birth - Grade 2)
- Language: English, Spanish
- Web address: www.littlelukes.com
- Experience: 10-15 years
- Mission: Mission Statement: To serve the changing needs of the community and exceed expectations of our families.
Philosophy: Our philosophy is simple but conveys to staff,

children, parents and the community what is important to us.

1. Child safety is number 1: There is a reason that we put child safety as the first priority. In everything that we do, child safety comes first. We have a state of the art security monitoring and access system. Cameras are located in every classroom and entrance to monitor and record all activities throughout the day. The access system tracks staff and parents as they enter the building. Our staff is trained in methods to maximize child safety during daily activities. 2. We will be the best Child Care Center: This priority is general but covers many areas including facilities, equipment, staff to child ratios, staff training, childhood curriculums, accessibility and ability to meet the needs of the community.

- Sprout Therapy Group - Physical Therapy, Occupational Therapy and Speech Pathology, LLC

 - Experience: 15 plus years

- Mission: I am an occupational therapist who loves to work with young children and their families, assisting them to gain functional skills. I have worked for 30+ years with the birth-five population, though I have also worked with all age children and adults, so I feel I have a good idea of what many individuals will encounter as they grow older. I am NDT (Neuro Developmental Treatment) certified and certified in testing for sensory integration dysfunction. I especially love to work with children who have physical difficulties, but at this point in my career I can pretty easily combine theory, practicality and experience into a working plan for any child. I am a great therapist who strongly believes in teams, including the family, working together with ongoing communication. I am also a strong advocate for families' and children's needs.

 - Experience: 15 plus years
 - Mission: I am a Licensed Speech-Language Pathologist and I hold teacher certification in New York State. I am a member of the American Speech-Language-Hearing Association (ASHA) and hold ASHA's Certificate of Clinical Competence. I am approved by New York State to deliver speech and language services to Early Intervention (EI) and Preschool children. I have published book reviews for ASHA, Choice Publications, and Disabilities Studies Quarterly (DSQ) and have participated numerous times in the process of test standardization. I am the recipient of five Awards for Continuing Education presented by ASHA. Since becoming a member of the Elmira College faculty in 2004, I have taught courses in Language Disorders, Anatomy and Physiology, Neurogenic Communication Disorders, Aural Rehabilitation, and Augmentative and Alternative Communication. I supervise in the Elmira College Speech and Hearing Clinic and administer speech-language evaluations. I also maintain a private practice, working with EI and Preschool children.

Disorders, Down Syndrome, Dyspraxia, Fetal Alcohol Syndrome, Hearing Loss, Medically Complex, Mental Retardation, Motor Disorders, Prematurity, Psychiatric/Behavioral/Emotional Disorders, Seizure Disorders, Sensory Integration Disorders, Traumatic Brain Injury, Vision Impairments

- Experience: 10-15 years
- Mission: I'm a speech-language pathologist primarily focused on enhancing the lives of young children by teaching them how to communicate. I have been working with children birth through 5 for the past 13 years. I've worked with children who present with minimal words, have difficulties being understood, as well as children who require the use of communication systems because natural speech is not sufficient to meet a child's communication needs.

 - Language: English, Spanish
 - Web address: www.littlelukes.com
 - Experience: 10-15 years
 - Mission: Mission Statement: To serve the changing needs of the community and exceed expectations of our families.
Philosophy: Our philosophy is simple but conveys to staff, children, parents and the community what is important to us.
1. Child safety is number 1: There is a reason that we put child safety as the first priority. In everything that we do, child safety comes first. We have a state of the art security monitoring and access system. Cameras are located in every classroom and entrance to monitor and record all activities throughout the day. The access system tracks staff and parents as they enter the building. Our staff is trained in methods to maximize child safety during daily activities.
2. We will be the best Child Care Center: This priority is general but covers many areas including facilities, equipment, staff to child ratios, staff training, childhood curriculums, accessibility and ability to meet the needs of the community.

■ **Christy Deringer**

- Location: Fly Creek, NY 13337-2703
- Primary phone: 607-435-0691
- Primary email: christyderinger@hotmail.com
- Professional discipline/qualified personnel: Speech Language Pathologist
- Languages: English
- Experience: 15 plus years
- Mission: I provide speech, language and feeding therapy to children with a variety of disorders. I have 18 years of experience working in Early Intervention, providing services in homes and community settings. As a member of ASHA, I maintain a certificate of clinical competence, adhering to the established code of ethics and completing ongoing continuing education activities to stay current. When providing services, I understand each child and family is unique. I strive to be both sensitive and flexible, while teaching strategies parents and caregivers can use to achieve the outcomes they have established for their child.

- Language: English, Spanish
- Web address: www.littlelukes.com
- Experience: 10-15 years
- Mission: Mission Statement: To serve the changing needs of the community and exceed expectations of our families.

Philosophy: Our philosophy is simple but conveys to staff, children, parents and the community what is important to us.

1. Child safety is number 1: There is a reason that we put child safety as the first priority. In everything that we do, child safety comes first. We have a state of the art security monitoring and access system. Cameras are located in every classroom and entrance to monitor and record all activities throughout the day. The access system tracks staff and parents as they enter the building. Our staff is trained in methods to maximize child safety during daily activities. 2. We will be the best Child Care Center: This priority is general but covers many areas including facilities, equipment, staff to child ratios, staff training, childhood curriculums, accessibility and ability to meet the needs of the community.

Education, Teacher of Speech and Hearing Handicapped, Teacher of Speech and Language Disabilities, Teacher of Students with Disabilities (Birth - Grade 2)

- Language: English, Spanish
- Web address: www.littlelukes.com
- Experience: 10-15 years
- Mission: Mission Statement: To serve the changing needs of the community and exceed expectations of our families.
Philosophy: Our philosophy is simple but conveys to staff, children, parents and the community what is important to us.
1. Child safety is number 1: There is a reason that we put child safety as the first priority. In everything that we do, child safety comes first. We have a state of the art security monitoring and access system. Cameras are located in every classroom and entrance to monitor and record all activities throughout the day. The access system tracks staff and parents as they enter the building. Our staff is trained in methods to maximize child safety during daily activities. 2. We will be the best Child Care Center: This priority is general but covers many areas including facilities, equipment, staff to child ratios, staff training, childhood curriculums, accessibility and ability to meet the needs of the community.

- Languages: English
- Web address: www.thearcolc.org
- Experience: 15 plus years
- Mission: We enable children with special needs to reach their potential. Our experience working closely with families means that we understand the difficulties and the possibilities that you and your child encounter as you achieve your self-determined goals together. We are committed to performing a comprehensive evaluation of your child's skills while addressing the worries you have as a parent. By sharing knowledge of your child's unique abilities, you provide crucial, invaluable information for determining your child's specific needs. Depending on your primary areas of concern, we assemble a team with expertise in the necessary clinical disciplines to evaluate your child using standardized testing

measurements, clinical observations and parental feedback. Parents appreciate our flexible scheduling and may choose our downtown Utica location or to meet with our team in the comfort of their own home. Our staff is committed to providing your family the most comprehensive, service delivery approach for your child.

- Language: English, Spanish
- Web address: www.littlelukes.com
- Experience: 10-15 years
- Mission: Mission Statement: To serve the changing needs of the community and exceed expectations of our families.

Philosophy: Our philosophy is simple but conveys to staff, children, parents and the community what is important to us.

1. Child safety is number 1: There is a reason that we put child safety as the first priority. In everything that we do, child safety comes first. We have a state of the art security monitoring and access system. Cameras are located in every classroom and entrance to monitor and record all activities throughout the day. The access system tracks staff and parents as they enter the building. Our staff is trained in methods to maximize child safety during daily activities. 2. We will be the best Child Care Center: This priority is general but covers many areas including facilities, equipment, staff to child ratios, staff training, childhood curriculums, accessibility and ability to meet the needs of the community.

■ Sprout Therapy Group - Physical Therapy, Occupational Therapy and Speech Pathology, LLC

- Language: English, Spanish
- Web address: www.littlelukes.com
- Experience: 10-15 years
- Mission: Mission Statement: To serve the changing needs of the community and exceed expectations of our families.
Philosophy: Our philosophy is simple but conveys to staff,

children, parents and the community what is important to us.

1. Child safety is number 1: There is a reason that we put child safety as the first priority. In everything that we do, child safety comes first. We have a state of the art security monitoring and access system. Cameras are located in every classroom and entrance to monitor and record all activities throughout the day. The access system tracks staff and parents as they enter the building. Our staff is trained in methods to maximize child safety during daily activities. 2. We will be the best Child Care Center: This priority is general but covers many areas including facilities, equipment, staff to child ratios, staff training, childhood curriculums, accessibility and ability to meet the needs of the community.

- Sprout Therapy Group - Physical Therapy, Occupational Therapy and Speech Pathology, LLC

 - Language: English, Spanish
 - Web address: www.littlelukes.com
 - Experience: 10-15 years
 - Mission: Mission Statement: To serve the changing needs of the community and exceed expectations of our families.
Philosophy: Our philosophy is simple but conveys to staff, children, parents and the community what is important to us.
1. Child safety is number 1: There is a reason that we put child safety as the first priority. In everything that we do, child safety comes first. We have a state of the art security monitoring and access system. Cameras are located in every classroom and entrance to monitor and record all activities throughout the day. The access system tracks staff and parents as they enter the building. Our staff is trained in methods to maximize child safety during daily activities. 2. We will be the best Child Care Center: This priority is general but covers many areas including facilities, equipment, staff to child ratios, staff training, childhood curriculums, accessibility and ability to meet the needs of the community.

- Sprout Therapy Group - Physical Therapy, Occupational Therapy and Speech Pathology, LLC

 - Professional discipline/qualified personnel: Physical Therapist
 - Languages: English, Polish

- Special populations served: Apraxia, Autism/PDD, Cerebral Palsy, Down Syndrome, Dyspraxia, Medically Complex, Mental Retardation, Motor Disorders, Prematurity, Seizure Disorders, Sensory Integration Disorders, Traumatic Brain Injury
- Experience: 15 plus years
- Mission: I am a physical therapist with 18 years of pediatric experience. I have worked with infants, toddlers and school age children in a variety of settings, including schools, home care, and outpatient clinics. My treatment approach is based on motor learning, neurodevelopmental treatment and SI strategies. I enjoy working in close collaboration with the families of children I service, which I believe is a necessary component of effective therapeutic intervention.

■ Kelly A. Poje

- Location: Otego, NY 13825-2126
- Primary phone: 607-988-6628
- Primary email: kpoje@unatego.stier.org
- Professional discipline/qualified personnel: Occupational Therapist
- Languages: English
- Special populations served: Apraxia, Autism/PDD, Cerebral Palsy, Communication Disorders, Down Syndrome, Dyspraxia, Feeding/Swallowing Disorders, Medically Complex, Mental Retardation, Motor Disorders, Oral Motor Disorders, Prematurity, Psychiatric/Behavioral/Emotional Disorders, Seizure Disorders, Sensory Integration Disorders, Traumatic Brain Injury
- Experience: 15 plus years
- Mission: I believe in Early Intervention. I originally graduated college with an AAS in Early Childhood Education before returning to school to become an OT. I enjoy helping young children and working with their families so that they can be the best that they can be. I have 18 years of experience with EI and I have worked with many different types of disabilities and diagnoses, including: CP, Downs Syndrome, Apraxia, Autism, Torticollis, Developmental Delays and Erbs Palsy.

- Special populations served: Apraxia, Cerebral Palsy, Communication Disorders, Down Syndrome, Dyspraxia, Feeding/Swallowing Disorders, Medically Complex, Mental

Retardation, Motor Disorders, Oral Motor Disorders,
Prematurity

- Experience: 15 plus years
- Mission: Pediatric SLP with Neuro-Developmental Certification in Pediatrics and Babies. I provide family based services to children birth to 5 in natural environments. I have extensive training of the "whole" child and focus on a child's strengths to facilitate growth in his area(s) of need. My background is primarily in a medically based private practice setting working with physical and occupational therapists prior to my relocation to NY State.

■ Amanda King

- Location: Trumensburg, NY 14886-9003
- Primary phone: 607-351-4287
- Primary email: abwinter09@msn.com
- Professional discipline/qualified personnel: Speech Language Pathologist, Teacher of Speech and Language Disabilities
- Languages: English
- Special populations served: Communication Disorders
- Experience: 5-10 years
- Mission: Amanda King MS CCC-SLP - I provide services with the highest standards of conduct professionally and ethically, while offering respect for families, their values, their culture and their child's special needs. Services are provided in the child's home and/or community setting. Confidentiality is ensured at all times. I have worked my entire career thus far serving children in the early intervention program and preschool program. I believe it is very important to provide family training and education so the parents, grandparents and other siblings can aid in the child's progress and development of skills.

- Experience: 15 plus years

- Mission: We enable children with special needs to reach their potential. Our experience working closely with families means that we understand the difficulties and the possibilities that you and your child encounter as you achieve your self-determined goals together. We are committed to performing a comprehensive evaluation of your child's skills while addressing the worries you have as a parent. By sharing knowledge of your child's unique abilities, you provide crucial, invaluable information for determining your child's specific needs. Depending on your primary areas of concern, we assemble a team with expertise in the necessary clinical disciplines to evaluate your child using standardized testing measurements, clinical observations and parental feedback. Parents appreciate our flexible scheduling and may choose our downtown Utica location or to meet with our team in the comfort of their own home. Our staff is committed to providing your family the most comprehensive, service delivery approach for your child.

 - Language: English, Spanish
 - Web address: www.littlelukes.com
 - Experience: 10-15 years
 - Mission: Mission Statement: To serve the changing needs of the community and exceed expectations of our families.
Philosophy: Our philosophy is simple but conveys to staff, children, parents and the community what is important to us.
1. Child safety is number 1: There is a reason that we put child

safety as the first priority. In everything that we do, child safety comes first. We have a state of the art security monitoring and access system. Cameras are located in every classroom and entrance to monitor and record all activities throughout the day. The access system tracks staff and parents as they enter the building. Our staff is trained in methods to maximize child safety during daily activities. 2. We will be the best Child Care Center: This priority is general but covers many areas including facilities, equipment, staff to child ratios, staff training, childhood curriculums, accessibility and ability to meet the needs of the community.

■ Nancy S. Quarrier

- Location: Ithaca, NY 14850-9447
- Primary phone: 607-227-1057
- Primary email: nsquarrier@gmail.com
- Professional discipline/qualified personnel: Occupational Therapist
- Languages: English
- Special populations served: Autism/PDD, Cerebral Palsy, Down Syndrome, Dyspraxia, Feeding/Swallowing Disorders, Medically Complex, Mental Retardation, Motor Disorders, Oral Motor Disorders, Prematurity, Psychiatric/Behavioral/Emotional Disorders, Seizure Disorders, Sensory Integration Disorders, Traumatic Brain Injury, Vision Impairments

- Experience: 15 plus years
- Mission: I am an occupational therapist who loves to work with young children and their families, assisting them to gain functional skills. I have worked for 30+ years with the birth-five population, though I have also worked with all age children and adults, so I feel I have a good idea of what many individuals will encounter as they grow older. I am NDT (Neuro Developmental Treatment) certified and certified in testing for sensory integration dysfunction. I especially love to work with children who have physical difficulties, but at this point in my career I can pretty easily combine theory, practicality and experience into a working plan for any child. I am a great therapist who strongly believes in teams, including the family, working together with ongoing communication. I am also a strong advocate for families' and children's needs.

■ Deanna Tracy Silvernail

- Location: Ithaca, NY 14850
- Primary phone: 607-437-0141

- Primary email: Chieftx@aol.com
- Professional discipline/qualified personnel: Speech Language Pathologist, Teacher of Speech and Hearing Handicapped
- Languages: American Sign, English
- Special populations served: Apraxia, Autism/PDD, Communication Disorders, Down Syndrome, Hearing Loss, Mental Retardation, Motor Disorders, Oral Motor Disorders, Sensory Integration Disorders
- Experience: 15 plus years
- Mission: I am a speech language pathologist who has been working in the field for 30 years. For the great majority of

those years, I have focused on intervention for infants, toddlers and preschoolers and their families. I have a strong background in working with children with hearing loss, including those with cochlear implants. I'm also very experienced with Childhood Apraxia of Speech. I strongly believe in the power of home-based, family centered intervention.

 - Primary email: blackbirdpondred@gmail.com
 - Professional discipline/qualified personnel: Speech Language Pathologist
 - Languages: English
 - Special populations served: Communication Disorders
 - Experience: 15 plus years
 - Mission: I specialize in home-based early intervention. My philosophy is family and child centered.
- Lisa I. Glasner
- Location: Ovid, NY 14521-9564
 - Primary phone: 607-342-2214
 - Primary email: ligslp13@gmail.com
 - Professional discipline/qualified personnel: Speech Language Pathologist
 - Languages: English
 - Special populations served: Apraxia, Cerebral Palsy, Communication Disorders, Down Syndrome, Dyspraxia, Feeding/Swallowing Disorders, Medically Complex, Mental Retardation, Motor Disorders, Oral Motor Disorders, Prematurity
 - Experience: 15 plus years

- Mission: Pediatric SLP with Neuro-Developmental Certification in Pediatrics and Babies. I provide family based services to children birth to 5 in natural environments. I have extensive training of the "whole" child and focus on a child's strengths to facilitate growth in his area(s) of need. My background is primarily in a medically based private practice setting working with physical and occupational therapists prior to my relocation to NY State.
- Sherry Golden
 - Location: Ithaca, NY 14850-5749
 - Primary phone: 607-339-7620
 - Primary email: sherrygolden607@gmail.com
 - Professional discipline/qualified personnel: Speech Language Pathologist
 - Languages: English
 - Special populations served: Apraxia, Communication Disorders, Feeding/Swallowing Disorders, Motor Disorders, Oral Motor Disorders
 - Experience: 10-15 years
 - Mission: I am a speech pathologist. I believe in therapy for birth to three year olds that involves participation of all caregivers/parents. I focus on speech and language evaluation and treatment as well as feeding and swallowing development.
 - Kellie Hummel
 - Location: Ithaca, NY 14850-2044
 - Primary phone: 607-227-1410
 - Primary email: slingerpt@hotmail.com
 - Professional discipline/qualified personnel: Physical Therapist
 - Languages: English
 - Special populations served: Autism/PDD, Cerebral Palsy, Down Syndrome, Motor Disorders, Vision Impairments
 - Experience: 10-15 years
 - Mission: I have a direct, hands on active approach, and enjoy including and educating family members in ways to integrate functional activities into daily life to improve outcomes. I love children, their imagination and spontaneous style of play.
 - Stacey M. Kidder

- Location: Cortland, NY 13045-9110
- Primary phone: 607-543-0162
- Primary email: skidr@twcny.rr.com
- Professional discipline/qualified personnel: Speech Language Pathologist
- Languages: English
- Special populations served: Communication Disorders
- Experience: 15 plus years
- Mission: I enjoy working with children in their natural environments as well as at various daycares or preschool programs. I feel children learn best when therapy is made fun and interactive.

■ Amanda King

- Location: Trumensburg, NY 14886-9003
- Primary phone: 607-351-4287
- Primary email: abwinter09@msn.com
- Professional discipline/qualified personnel: Speech Language Pathologist, Teacher of Speech and Language Disabilities
- Languages: English
- Special populations served: Communication Disorders
- Experience: 5-10 years
- Mission: Amanda King MS CCC-SLP - I provide services with the highest standards of conduct professionally and ethically, while offering respect for families, their values, their culture and their child's special needs. Services are provided in the child's home and/or community setting. Confidentiality is ensured at all times. I have worked my entire career thus far serving children in the early intervention program and preschool program. I believe it is very important to provide family training and education so the parents, grandparents and other siblings can aid in the child's progress and development of skills.

■ Lindsay N. Citro Kozinsky

- Location: Ithaca, NY 14850-9402
- Primary phone: 201-739-2123

- Nancy S. Quarrier
 - Location: Ithaca, NY 14850-9447
 - Primary phone: 607-227-1057
 - Primary email: nsquarrier@gmail.com
 - Professional discipline/qualified personnel: Occupational Therapist
 - Languages: English
 - Special populations served: Autism/PDD, Cerebral Palsy, Down Syndrome, Dyspraxia, Feeding/Swallowing Disorders, Medically Complex, Mental Retardation, Motor Disorders, Oral Motor Disorders, Prematurity, Psychiatric/Behavioral/Emotional Disorders, Seizure Disorders, Sensory Integration Disorders, Traumatic Brain Injury, Vision Impairments
 - Experience: 15 plus years
 - Mission: I am an occupational therapist who loves to work with young children and their families, assisting them to gain functional skills. I have worked for 30+ years with the birth-five population, though I have also worked with all age children and adults, so I feel I have a good idea of what many individuals will encounter as they grow older. I am NDT (Neuro Developmental Treatment) certified and certified in testing for sensory integration dysfunction. I especially love to work with children who have physical difficulties, but at this point in my career I can pretty easily combine theory, practicality and experience into a working plan for any child. I am a great therapist who strongly believes in teams, including the family, working together with ongoing communication. I am also a strong advocate for families' and children's needs.

- Anne M. Schneider
 - Location: Ithaca, NY 14850-1701
 - Primary phone: 315-212-5048

 - Primary email: ksinn@twcny.rr.com
 - Professional discipline/qualified personnel: Speech Language Pathologist, Teacher of Speech and Hearing Handicapped
 - Languages: English
 - Special populations served: Apraxia, Communication Disorders, Feeding/Swallowing Disorders, Oral Motor Disorders, Prematurity
 - Experience: 15 plus years
 - Mission: I have 25 years of experience with EI and preschool/school age SLT services.
- Christina M. Steinorth
- Location: Newfield, NY 14867-9279
 - Primary phone: 607-592-6789
 - Primary email: christinams7@gmail.com
 - Professional discipline/qualified personnel: Speech Language Pathologist, Teacher of Speech and Language Disabilities
 - Language: English
 - Special populations served: Autism/PDD, Communication Disorders
 - Experience: 5-10 years
 - Mission: I am a speech-language pathologist, currently providing EI and preschool services. I work with children with a wide variety of needs, including speech and language delays and disorders, autism, and feeding disorders. I also provide supervision to Ithaca College undergraduate and graduate students, completing clinical experiences working with preschool children. In the past, I have also worked for agencies

providing preschool and EI services to children, as well as for a school providing services to children with autism and multiple disabilities. I believe in having an unconditional positive regard for the clients I work with. I strive to help my clients achieve their full potential in their communication skills, as well as their overall development. I believe it is important to work with a client's family and other service professionals to serve on a multidisciplinary team and best meet a client's needs.

■ Lisa Trent

- Location: Ithaca, NY 14850-9331
- Primary phone: 607-229-0740
- Primary email: yogamamalisa@yahoo.com
- Professional discipline/qualified personnel: Speech Language Pathologist
- Languages: English
- Experience: 15 plus years
- Mission: My mission is to provide families with multimodal and/or interdisciplinary supports to enhance language development and communication skills

■ Kristina Wight

- Location: Ithaca, NY 14850-3147
- Primary phone: 607-351-9778
- Primary email: kmswight@gmail.com
- Professional discipline/qualified personnel: Occupational Therapist
- Languages: English
- Special populations served: Autism/PDD, Cerebral Palsy, Down Syndrome, Mental Retardation, Motor Disorders, Prematurity, Sensory Integration Disorders, Traumatic Brain Injury
- Experience: 15 plus years
- Mission: Working with the families and child to assist them to meet their child's goal(s). Worked with various disabilities and ages of children throughout my 24 years as a pediatric therapist. Continue to increase my knowledge by doing many continuing education courses each year and talking with other providers/disciplines.
