ABOUT OPEN AIR

Open AIR is a nonprofit serving urban and rural areas of Montana. We work collaboratively with dozens of partners to weave artists into our communities. Since 2019, we have placed over 100 diverse artists from around the country at places rich in ecology, history, & culture through our Artist-in-Residence (AIR) program.

Join Open AIR this summer to get creative and explore Montana through place-based arts workshops, presentations, special programming, & more!

ARTISTS ARE KEYSTONES TO HEALTHY COMMUNITIES.
WE SUPPORT ARTISTS.
