

## **DINING GUIDELINES & DRESS CODE**

### **DRESS CODE**

- **Brendon's Catch 23's dress code is Upscale. Guest attire can elevate or diminish the experience of others. We consider loungewear, tank tops, flip flops, and undershirts, too casual for our restaurant. Our staff takes pride in their appearance and we ask our guests to respect our attire guidelines. Management, at their discretion, reserves the right to determine questionable attire.**

### **DINING GUIDELINES**

- **The majority of our restaurant is not intended for large groups. Our main dining and bar area tables can accommodate up to four (4) people, with the exception of a few large tables that can accommodate 8-10 guest, each of which "are serviced in two groups of four (4)". Tables cannot be moved/combined and parties requesting adjacent tables may not be accommodated.**
- **Our restaurant is generally not the best environment for young children. However, we welcome families, but, for their personal safety and the dining enjoyment of other guest, we ask parents to keep children at the table and calm vocal infants or youngsters outside of the dining room.**
- **Menu items substitutions will be politely declined. However, subtractions will always be obliged when possible. Modifications, primarily are not possible as they can impact the focus of the kitchen and the integrity of many dishes.**
- **Please advise your server of any allergies or dietary restrictions, as the ingredients listed on the menu are abbreviated.**
- **To minimize distractions to other guests, please take cell phone conversations out of seated areas and set devices to silent.**
- **For the dining enjoyment of all, we ask that guest not congregate, socialize, stand or visit other tables during service.**
- **Out of consideration for other guests who are waiting, we may ask for your table if you have exceeded your maximum 90 minutes reservation time. We typically never make this request short of 90 minutes after you are seated. It is important not to report to the restaurant later than your reservation time**
- **For larger parties or special occasions, Brendon's has five (5) private dining rooms that seat from 6-60 guests. Contact management for details and reservations**
