ENGLISH AEROPRESS CHAMPS RETURN TO SCF!

Here at SCF we are very excited to bring you the 2024 English Aeropress champs!

Over 100 people applied to the open ballot this year to be part of what is set to be a fun and exciting competition plunging coffee! Having randomly selected the 24 competitors for this year's event we are excited to see who will take the crown.

This year sees competitors coming from across the UK to pit themselves against each other in the ultimate test of Aeropress brewing.

We are buzzing to welcome baristas and brew heads from...

Bon // 200 Degrees // Carnival // Harmony // Skylark // Crosby // Sale Moon // Kick back // Green Farm // Brew and Brownie // Yorks // Mincka // Nagare & and 7 independent entries!

We are honoured that this year's event is being hosted by Sheffield legends - Marmadukes at their stunning Cambridge Street site, where we are preparing to crown the 2024 champion.

This year's competitors have already been sent the roast from Assembly for this year and we are excited to see what they come up with to get the very best out of this mystery coffee! No information or tasting notes are sent so the competitors are flying blind. We can assure you, this year's coffee is very special and will be available on the night to buy

WHAT TO EXPECT

COMP FORMAT

This year sees 24 competitors come together for a tournament style event to crown the winner.

RUNNING ORDER

The event starts at 5pm in which pairs of coffee heads will go head to head to get the nod from the judges table. Each round the competitors will have 5 mins to serve their perfect brew.

3, 2, 1

The Aeropress Champs aims to be a more relaxed and accessible format than other coffee comps. Keep an eye out for the judges table - on the count of three - will all point to the preferred coffee.

JUDGE DREAD

This year's judges are made up of two groups of three people and are all coffee royalty! Expect to meet industry leaders and local legends who all have excellent taste buds and the difficult task of choosing this year's English aeropress champion.

PRIZES

After three rounds of competition, the 1st, 2nd and 3rd place will be crowned. The winner is invited to and has travel covered for the W.A.C Finals in Lisbon later this year. There is also a ton of prizes, merch and obviously... THE GOLDEN AEROPRESS!
