## **Amazing Productions**

Amazing make quality factual and current affairs programmes for all major broadcasters including George Clarke's portfolio of programs. Their space is a mixture of office and editing suites and they have expanded to take further space on the 3rd floor.

## **Gravity Sketch**

Gravity Sketch are a rapidly growing startup shaking up the 3D design space and transforming the future of digital creation. Users can create amazing 3D models, scenes and artwork in an intuitive way with applications in product design, automobiles and architecture.

# A

## Amazing Productions

Amazing develops and produces content with passion. We make quality factual, specialist factual and current affairs programmes for all major UK broadcasters. Some of our productions include: Ugly House to Lovely House with George Clarke, Fighting For Air with Dr Xand van Tulleken and Bang on Budget.
