

The Store's Wonderland is a locally owned and run gift store that proudly champions Utah artists & makers.

Our aim is to spread joy and brighten up your day with beautiful products we've curated locally, from around the world, and by offering booth space to lovely people that sell handmade, locally-made, vintage and repurposed gifts. We want to be a ray of sunshine in your day and love nothing more than hearing our customers ooh, awww, and exclaim with delight while browsing our stores. Gifts can be a great way to let someone know you care and we love to be able to help you spread joy. Whether it's a gift for a loved one or a treat for yourself, you'll find it at Wonderland.

It's important to us to champion local makers and offer space in Wonderland for them to set up shop. We are proud to have supported many, many local small businesses to help them grow.

We welcome any products by makers and small businesses that are hand crafted, locally made, or vintage and repurposed. Vendors are selected by jury. Please submit an application and several photos of your products and/or booth.
