All competition fixtures for the calendar year are available in a printable format in the members section of the Mollymook Golf Club website. Mollymook Golf Club provides an equal opportunity for men and women of any age to play competition golf together seven days a week (excluding major or special events).

We host open medley competitions every day in addition to women only competitions on Tuesdays and Sundays. There is also a veteran only (aged 55 and over) competition every Wednesday.

Excluding championships and special events, you can choose your own Tee to play from in competition. This means men and women can choose to play from the Blue, White, Yellow, Red or Purple Tees.

To register for a competition before you play, please pay the relevant comp fee at the golf shop counter then you can register yourself by entering your member number at one of the kiosk terminals, then choose the competition you wish to play and then select the Tees you would prefer to play from. We prefer members to use the MiScore App for scoring however you can print a scorecard from the kiosks if you do not have a suitable phone.

After golf, confirm your partners (and your) score via the MiScore App or process your completed scorecard through the scanners immediately after you round.

The Golf Management Team is in charge of all play on the course and reserves the right to alter the competition fixtures or method of play at any time.

All play is governed by the Rules of Golf and the Conditions set out in this book and Conditions of Competition as notified.

Any disputes should be reported to the Golf Management Team whose decision will be final.

Some important conditions are as follows:

1. All competitors will report to the starter 15 minutes before scheduled hit off and will carry out instructions of the starter.

2. All events are played in fours, with the exception of most singles' knockout matches. The Golf Management Team has the right to alter this condition, e.g., Foursomes may be played in sixes.

Players are required to report to the Golf Shop 15 minutes prior to their allocated tee time. Failure to do so may result in a player being removed from the timesheet in order to accommodate other players.

Penalty for a "no show" for a booking

C Grade	19 to 54

Women

Division 1	+9 to 22
Division 2	23 to 31
Division 3	32 to 54

All other normal daily competitions are split evenly into grades by the number of people in each grade which means the A, B & C grade handicap limits can change daily. The field is ranked from lowest handicap to highest and then divided evenly into 3 for the 3 grades. For open medley events, men and women are in the same competition and the same grades.

6. Care of the course

Members of Mollymook Golf Club take great pride in their course and the standard in which it is maintained. Therefore, we ask all new members to continue with the care of our course in the following manner.

- i. Before leaving a bunker, a player should carefully fill up and smooth over all footprints and marks made while in the hazard.
- ii. Restore divots, repair ball marks and any damages caused by spikes or equipment.
- iii. All players are required to carry and use a sand bucket for the purpose of repairing divots.
- iv. Through the green, a player should ensure that any turf cut or displaced is replaced at once and pressed down.
- v. Any damage made to the putting surface caused by shoe spikes should be repaired on completion of the hole.
- vi. Care should be taken when replacing the flagstick to ensure that damage does not occur to the cup.
- vii. Damage caused by taking practice swings should be avoided.
- viii. Local notices regulating the movement of golf carts should be strictly observed at all times.

7. Tee markers

Mollymook Golf Club offers a range of 5 different tees that any player is able to choose to play (excluding Championship and Honour Board events).

Blue (Men's Championship Tees)
White
Yellow
Red (Women's Championship Tees)
Purple

When playing in individual competitions, any player (male or female) can play from any tee marker. The registration system for your score card for the day will allow you to choose the tee you would like to play from. It will automatically adjust your personal daily handicap and the par for the course you have chosen to play.

When playing in a Championship events, you will not have the option to select a Tee colour and the allocated Tee will be printed on the playing card for the day.

8. Pace of Play

Members and visitors may have differing views on what constitutes an acceptable pace of play, but we all know that slow play can detract from the enjoyment of the game for many golfers. In normal conditions, the maximum time should be 4 hours 20 minutes for 18 holes.

In the simplest of terms, we ask all members and visitors to keep up with the group in front at all times. Groups tee off at 8-minute intervals which should provide ample time for groups of 4 to move through the 18 holes smoothly.

Here are a few tips to consider when playing on the course.

1. Be ready to play as soon as it is your turn. Think about your club selection and shot while others are hitting.
2. Play ready golf and move to your ball if it is safe to do so
3. If you think you may have lost your ball – play a provisional ball
4. Wave people through if you are clearly playing too slowly for the group behind.
5. At the green leave any clubs and or your bag at the exit point to the green to save time when departing
6. Mark your card/App when others are hitting. Don't have all 4 players standing marking their cards while no one is hitting.
7. If you find your group has fallen behind possibly have two players move to the next tee and hit off while the other two players finish on the green.
8. Quicken your walking pace between shots.

9. Etiquette

At Mollymook Golf Club we pride ourselves on course etiquette, you must respect the other members around you on the course and in the club house. You must respect the course equipment and always give way to green staff.

1. No one should move, talk or stand close to or directly behind the ball or the hole when a player is addressing the ball or making a stroke.
2. The Rules of Golf were updated on the 1st January 2019 to encourage a faster round of golf. Excluding match play events, if the fairway or green is clear, please play whenever you are ready to avoid slow play.
3. No player should play until the players in front are out of range.
4. When the play of a hole has been completed, players should immediately leave the putting green and then proceed to the next tee. Whoever is ready to tee off (excluding

match play) should tee off immediately, before marking the score card, to avoid slow play.

5. Call following players through as soon as it becomes apparent that a ball will not easily be found.

Note: Definition Lost Ball

A ball is lost if it be not found, or not identified by the player within **3** minutes of the search commencing.

6. Competition players must keep up to the players ahead of them.

In Stableford and Par events, competitors must pick up when unable to score.

Note: A player or players causing undue delay or playing at a pace slower than the Time Par of 4 hours 20 minutes may be penalised.

A player or players who are continually slow, will be made to play at the end of the field.

7. A player who has incurred a penalty should indicate the fact to his opponent as soon as possible.
8. Care for the course by:
 - a. Restoring divots and filling divot holes with sand.
 - b. Repairing ball marks on green.
 - c. Repairing spike marks on greens after putting.

Bunker Care: Always smooth out a bunker after playing a shot from it and enter and leave the bunker from the lowest point.

10. Motorised Transport

In the event of severe wet weather conditions, the use of motorised transport may be restricted or prohibited due to safety reasons. Please refer to the daily tee sheet for confirmation.

Members wishing to use Privately Owned Motorised Transport on the course are required to apply in writing, to the Golf Management Team, to ensure such vehicle complies with the required specifications. The conditions relating to such use are:

1. That the vehicle is specifically designed for use on a golf course, and
 - (i) has been approved by the Golf Management Team.
 - (ii) displays a club allocated number (electric carts only for new applications).
 - (iii) The relevant annual fee has been paid.

Use of a Private or Hire Motorised Transport subject to the following conditions:

- a. That the enjoyment of your fellow members is not hindered by riding ahead or during their play of shots.
- b. That care is taken in the areas ridden to preserve the course.
- c. That transport is not to be ridden within 10 metres of any tee or green unless on a formed path.
- d. That the equipment is maintained in good condition and noise kept to a minimum.
- e. That a motorised vehicle designed for carrying one person is only permitted to carry one set of golf clubs. Similarly, a cart designed for two people, must caddy for not more than two sets of clubs. Unless otherwise advised, such motorised transport is permitted in all Club Competitions as long as the cart has their registration number displayed.

11. Siren for Suspension of Play

Hilltop has a siren for adverse weather conditions such as electrical storms, torrential rain, etc. The format for the siren will be:

1. Discontinue play immediately: One prolonged note of siren.
2. Play suspended: Four consecutive notes of siren, repeated. Players may mark their ball immediately or complete the hole being played.
3. Resume play: Four short notes of siren, repeated.

12. Alcohol Policy

The Club is a licensed premise. You may only consume alcohol purchased from the Club, on Club property including the clubhouses and courses (at Hilltop and Beachside). Any member caught consuming their own alcohol on Club property will receive a citation and may have their membership suspended or terminated.

13. Points of Special Interest

Hole In One: A memento trophy will be awarded to any member making a "Hole In One" in a (9 Hole or 18 Hole) programmed competition event (visitors are ineligible) at either course.

Eagles: One Dozen Balls will be awarded to any member achieving an Eagle on any hole during any 9 Hole and 18 Hole member's programmed single or 4BBB events (visitors are ineligible).

Ball Competitions: "The Ball Competition" and "Nearest the Pin" will be run as separate competitions and will be awarded as points onto membership cards for any wins.

CODE OF CONDUCT

1. PURPOSE

The Mollymook Golf Club (MGC) is committed to providing an environment that is free of discrimination, harassment and intimidation for members, employees, and guests. Our Club Vision is... "*To grow and enhance leisure and golf in our region*"

The purpose of this code is to assist members, visitors, and guests of the Club to know and understand the standards of behaviour expected when at the Club. This will ensure everyone can enjoy the amenities provided by the Club in a safe and responsible manner.

Members, guests and visitors, are reminded that an acceptable standard of behaviour is expected in all areas of the Club and golf courses, at all times, and that upon payment of membership or green fees, or by attending Club premises all members, guests and visitors give their consent to be bound by both the restrictions and penalties which may be imposed for any breach of the club's standards or serious misconduct in failing to meet the standards set out in this Code of Conduct.

The policy sets out the disciplinary process and outlines to all members, players, and the public how to make a complaint and how the disciplinary process of the Club works.

2. CLUB VALUES

This Code of Conduct is not intended to create a bureaucratic, regulatory environment, but rather to promote and enhance our Club's values of:

CONSISTENCY: Same, Same – Not different

TRUST: In self and each other

ENJOYMENT: Love our Club

GROWTH: Grow together

COMMUNICATION: Open and respectful

3. GOLFING MEMBERS, GUESTS, AND VISITORS.

Members will be liable for any breach committed whether by themselves or their guests. While on either of MGC Courses (Hilltop or Beachside) all players must:

- Play all competition golf within the rules as prescribed by the R&A, the local rules, and any temporary local rules.
- Adhere to the current MiClub online golf bookings rules and regulations (eg: tee sheets currently open at 5.00pm, 21 days in advance, as set out by Golf Management).
- Contact the Golf Shop if due to unforeseen circumstances it is necessary to cancel a booking on the day of competition. The Club will strictly impose a cancellation fee or suspend the membership of Members who repeatedly fail to give a minimum of 24 hours' notice of cancellation or who fail to show up for their game.
- Arrive at the tee ready to play at least ten minutes before the scheduled starting time, wearing appropriate golf attire in accordance with current dress standards.
- Use the practice range and practice facilities in accordance with all instructions and signage.
- Inform another player if you believe he or she is about to breach a rule.
- When playing a ball off a fairway other than the one that you are playing, you must: firstly, wait until the players on that fairway have played their ball, secondly, signal that you wish to come on to their fairway and play your ball and thirdly, immediately after playing your ball, remove yourself from their field of play.
- Report to the Golf Shop as soon as reasonably possible, any incidents of errant golf balls leaving the Club boundaries, whether you believe you have caused any damage or not, including location, time, and witnesses.

- Avoid slow play, apply 'ready Golf' principles, and allow other golfers to play through as appropriate, waving the following group through when searching for lost balls and maintaining the speed of play by keeping up with the group in front.
- Always follow established golf etiquette respecting the course including repairing pitch marks, replacing divots, and raking bunkers.
- Show the necessary respect to fellow golfers at all times, which includes no shouting on the course, no misuse of equipment (i.e. throwing clubs in frustration etc.), no aggressive behaviours.
- Conduct yourself in a sportsmanlike manner and do not knowingly cheat, disrespect employees, or fellow players.
- Ensure mobile phones are switched to silent.
- Treat club premises and property with respect, understanding that you are financially liable for any damage caused to club property whilst in your possession eg. golf cart hire
- Adhere to the Club's Alcohol Policy.
- Understand that the taking of illegal substances on club property will incur immediate suspension and possible loss of membership.
- It is in the best interests of the game that such behaviour is reported, and all members' guests, visitors and members of the public are encouraged and have a duty to reports such behaviour to the Golf Manager. (See Reporting and Disciplinary guidelines below).

4. SOCIAL MEMBERS, GOLFING MEMBERS, GUESTS, AND VISITORS

While in either Clubhouse (Hilltop or Beachside) including parking areas, members, guests, and visitors are reminded that:

- Any form of discrimination, harassment or intimidation is regarded as unacceptable behaviour.
- Consumption of excessive quantities of alcohol is not permitted by law.
- The use of foul or abusive language such as swearing has no place in the clubhouse and any member or guest heard using unacceptable or offensive language will be asked to either stop or leave the premises.
- Smoking or the use of e-cigarettes is not permitted within any of the club buildings.
- The taking of illegal substances will incur immediate suspension and possible loss of membership.
- Consideration towards others should be shown when using your mobile phone.
- All members, their guests and visitors to the Club must be treated fairly, equally and with respect.
- All staff must be treated fairly, equally and with respect.
- Staff must not be directed on how to perform their duties. Dissatisfaction should be reported to the appropriate supervisor or Manager.
- All reasonable directions given by a supervisor or Manager must be followed.
- Be familiar with and comply with Club policies, procedures, and bylaws.
- Treat Club property and premises with respect.
- Comply with Club safety practices and requirements.
- Refrain from behaviour which may bring the good name of the Club into disrepute and not make statements on behalf of the Club unless authorised to do so.
- Accompany their guests at all times, ensure they are correctly dressed, their behaviour is appropriate, and requirements for visitors are complied with.
- Not canvass other members for business while at the Club, and not bring goods for sale or supply on to the Club's premises.
- Be open and honest when proposing or introducing new Members for membership.

5. REPORTING PROCESS

Reports of a breach of this Code of Conduct or other complaints concerning unacceptable behaviour may be made by any person including a staff member, social member, golfing member, visiting guests, and members of the public. Reports must be made in the first instance to either the Club Management or the Golf Manager. These must be then followed up in writing within three days. Once received the Club Management or the Golf Manager will determine the severity of the breach, and grade it in accordance with the following grading:

Grade 1 Breach

- Bad language
- Improper treatment of equipment, including throwing of clubs
- Use of club other than within the intentions of the game e.g. damaging trees or club property with clubs, etc
- Ill-mannered behaviour
- Failure to complete a round when representing the club in any sanctioned tournament/inter-club match
- Failure to comply with the R&A, local rules, or temporary local rules
- Cheating or falsifying score

Grade 2 Breach

- Behaviour bringing the club into disrepute
- Theft of items
- Verbal abuse or threatening behaviour to another member, employee or guest
- Any misuse of alcohol or drugs on the course or club premises
- Assault of a player, employee, member, guest or member of the public
- Sexual or verbal harassment
- Denigration of the Club, the Management of the Club (including the Board of Directors or an individual member of the Board), the employees of the Club (including volunteers) whether by electronic means or otherwise.

The grading allocated will determine the action to be taken and the potential penalty a member may receive. If the matter is Grade 1, of a minor nature, the Golf Manager or the Club Management shall consider whether a prima facie case has been established and if so satisfied, will discuss the complaint with the person(s) involved and deal with the complaint by either:

- dismissing the complaint.
- giving the offender a verbal warning.
- issuing a written warning.

If a Grade 1 offence is repeated or if the matter is a Grade 2 offence the Golf Manager or Club Management will carry out a preliminary investigation and gather all the facts of the offence. The matter will then be referred to the Disciplinary Committee in accordance with Section 6.

6. DISCIPLINARY PROCEEDINGS

Section 61 of the Club Constitution gives the Board the power to reprimand, fine, suspend or expel any member if that member:

(a) in the reasonable opinion of the Board, has wilfully refused or neglected to comply with any of the provisions of the Constitution or any By-law (including this Code of Conduct) or;

(b) is in the opinion of the Board:

- (i) guilty of any conduct prejudicial to the interests of the Club; or
- (ii) guilty of any conduct which is unbecoming of a member.

The Board and Management of the Club may appoint a Disciplinary Committee to oversee the complaints procedure and to conduct investigation, hearings and impose penalties.

The Disciplinary Committee will deal severely with proven cases of serious misconduct and in some cases the conduct may constitute a criminal offence in which case the matter should be referred to the Police.

In determining an appropriate action after a complaint has been proved, the Disciplinary Committee may take into account any previous matters concerning the member. In accordance with Rule 62(h) of the Club Constitution decisions of the Disciplinary Committee shall be final.
