

PatientRightsAdvocate.org Presents CommonSpirit Health with Price Transparency Champion Award

Hospital honored for posting all actual prices and “putting patients first”

Today, PatientRightsAdvocate.org (PRA) announced that CommonSpirit Health, headquartered in Chicago, IL, will receive PRA’s new *Price Transparency Champion Award*, which recognizes U.S. hospitals and hospital systems that are demonstrating an extraordinary commitment to full price transparency to empower patients to compare prices and lower their costs. See the full release [here](#).

“I congratulate CommonSpirit Health on this distinction and applaud the health system for being a true champion for the patients and healthcare consumers in the communities it serves,” said PRA Founder and Chairman Cynthia Fisher. “With 88% of its hospitals deemed compliant with the [federal transparency rules](#), CommonSpirit is leading the way and doing its part to support every patient’s right to accurate, upfront prices. We are at the beginning of the great reveal of all pricing data online. When every U.S. hospital matches the majority of CommonSpirit’s transparency, patients and care purchasers will be empowered to compare prices and plans, lower their costs, and protect themselves from overcharges. PRA is proud to salute CommonSpirit’s compliant hospitals for having the integrity to post all their prices and for setting an example for all other hospitals in America to follow.”

The introduction of the Price Transparency Champion Award comes after last month’s release of PRA’s [fifth Semi-Annual Hospital Price Transparency Compliance Report](#), which revealed that only 36% of U.S. hospitals reviewed are in full compliance with the federal Hospital Price Transparency Rule.

Each hospital receiving PRA’s Price Transparency Champion Award has distinguished itself in terms of exemplary transparency compliance, in some cases showing a record of significant improvement, and demonstrating a steadfast commitment to putting patients over profits.

A total of ten hospitals and five hospital systems nationwide were awarded PRA’s inaugural Price Transparency Champion Award. They are:
