Junior Medallions are awarded for:

Our aim is to educate the whole person – spiritual, academic, physical, social, and cultural. Students chosen for the Service Medallions are strong role models of St Peter's College values and are recognised for their effort, commitment and service in the particular area of the award.

In addressing all these areas we aim for our school leavers to go out in the world and make a positive difference, wherever they choose to be. We are truly proud of them.
