This survey was conducted from August 11 - 15, 2022 and included a pool of 684 Likely GOP runoff voters in Oklahoma. These survey results were weighted based on age, gender, and level of education. This survey has a margin of error of 3.8% at a 95% confidence interval. The poll surveyed both cell phones and landlines and used a combination of live callers and an online sample of likely GOP runoff voters.

	Total	Female	Male	18-29	30-39	40-49	50-59	60-69	70 or older	Completed high school or less	Some college but did not finish	4 year college degree	Graduate Degree
Would you describe yourself as very liberal, somewhat liberal, moderate, somewhat conservative, or very conservative?
