February 27, 2018

To the Citizens of Payne County:

During this morning’s Payne County Board of Commissioners Meeting the commissioners decided NOT to renew or extend the burn ban for Payne County.

We advise citizens to exercise extreme caution when burning and to contact Payne County Emergency Management Director Jeff Kuhn at 405-334-7044 OR your local fire chief if you have questions or concerns.

Thank you.

Sincerely,

Chris Reding
Chairman
Payne County Board of Commissioners
