PERSONAL ELECTRONICS:

Cellphones, even waterproof ones, and music players are not allowed on the boats or in the classrooms. If they bring a GoPro or similar camera, be sure their name is on it! Don't forget charging cords!

SNORKEL EQUIPMENT:

Snorkel gear is included in your program! However, we do encourage you to bring your own mask & snorkel if you have a high-quality set. Fins take up a lot of packing space so feel free to leave yours at home and use ours instead. **DO NOT BRING FULL-FACE MASKS** as we have determined they are unsafe in our program.

WETSUIT:

Shorty wetsuits are provided, if needed.

PLEASE DO NOT BRING:

Food (it invites creepy crawlies into the dorm rooms) – Slurp gun – Speargun – Dive gloves or dive knives – Cheese Whiz or “fish food” – Fishing equipment – Gum – SPRAY sunscreen

THE GIFT SHOP HAS THE FOLLOWING:

Post cards & stamps – Souvenirs – T-shirts – Single-use cameras – Water Bottles – Towels – Limited Snacks
