### FREE DOCTOR VISITS

Our Employee Benefits App gives you an easy and trusted way to request visits with board-certified medical providers on demand for a \$0 copay. Get the care you need, when and where you need it or using our Employee Benefits App.

This serves as a summary of your benefit plan only. Please refer to your Summary Plan Description for actual coverage, limitation, and exclusive provisions.

\*After deductible

## Free Doctor Visits

Our app is free,  
unlimited and available 24/7

[www.kennionprogram.com](http://www.kennionprogram.com)

Our app gives you an easy and trusted way for adults and children to request visits with board-certified medical providers on demand for minor illnesses and injuries. Get the care you need, when and where you need it or using the app – 24//7/365.

### When to use our FREE online medical consultations:

#### You're not feeling your best.

Our medical team can diagnose common medical concerns and offer personalized care.

#### You need a short-term prescription

Providers can send new prescriptions and short-term refills to your pharmacy.

#### It's the middle of the night

Illness and injury often happen at inconvenient times, so we offer care 24/7/365.

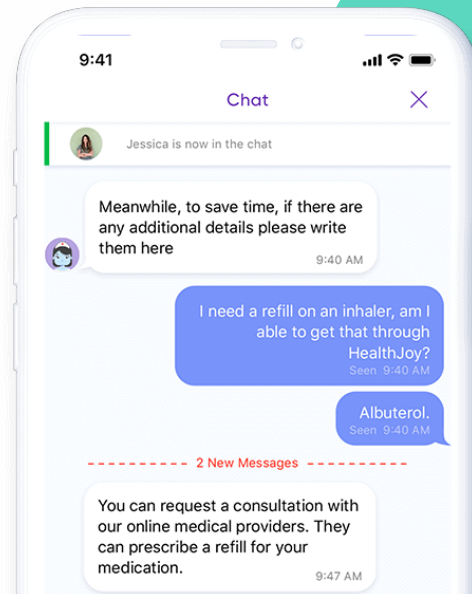

#### You're traveling

Get diagnosed and have a prescription sent to a local pharmacy nearby, wherever life takes you.

### We can help with:

- Abrasions, bruises
- Colds, flu and fever
- Sore throat, cough, congestion
- Allergies, hives, skin infections
- Bites and stings
- Minor headaches, arthritic pains
- Medication refills (short-term)
- Diarrhea, vomiting, nausea
- Urinary tract infections
- Headaches, body aches
- Eye infections, conjunctivitis
- And more!

**“My daughter had an infection, so within 10 minutes I got a live consultation from a physician. He was able to diagnose the infection and send a prescription to my pharmacy. This saved me so much time!”**

**- SHANNON P. MEMBER**
