- we receive a share of the commission paid by the lender where we refer you to a **mortgage** broker

What services do we provide?

We are authorised to provide personal advice and dealing services in the following areas:

- Superannuation and SMSF
- Personal insurance
- Managed investments
- Securities
- Retirement planning
- Portfolio reviews
- Margin lending facilities

Financial advice processes

We recognise that the objectives and personal circumstances of each client are different.

Where we provide personal advice, we will listen to you to understand your objectives and circumstances. We will also ask questions to make sure we provide advice which is in your best interests.

When we first provide personal advice to you it will be explained thoroughly and documented in a Statement of Advice (SoA) which you can take away and read.

The SoA will explain the basis for our advice, the main risks associated with the advice, the cost to you of implementing the advice, the benefits we receive and any

conflicts of interest which may influence the advice.

For administration platforms, managed funds and personal risk insurance products we will provide you with a Product Disclosure Statement.

This contains information to help you understand the product being recommended.

At all times you are able to contact us and ask questions about our advice and the products we recommend.

You can provide instructions to us in writing, via phone or via email. In some cases, we may require you to provide signed instructions.

We may provide further advice to you to keep your plan up to date for changes in your circumstances, changes in the law and changes in the economy and products.

If we provide further advice it will typically be documented in a Record of Advice which we retain on file. You can request a copy of the RoA document at any time up to 7 years after the advice is provided.

How we work

Discovery Meeting

Money means different things to different people and truly understanding what's important to you and your loved ones forms the basis of the advice relationship between us.

Engagement

We will explain our understanding of the outcomes that you are seeking, our process to deliver advice and fees to engage us.

Service

Depending on where you are with your training and the outcomes that you are seeking, will determine the level of engagement and service that we propose to you.

How we are paid

All fees are payable to Medical Financial Pty Ltd.

We are paid for the financial planning services we provide to our clients on a flat fee for service basis. These fees are agreed and charged annually. We do not receive any commission or adviser service fees from super, investment or associated margin loans.

Insurance Commissions

Medical Financial Pty Ltd receives a one-off upfront commission when you take out an insurance policy we recommend. We also receive a monthly commission payment for as long as you continue to hold the policy and we remain the servicing advisers.

The commission or benefit will vary depending on the recommended product and will be documented in the SoA or RoA.

Other Benefits

We may also receive additional benefits by way of sponsorship of educations seminars, conferences or training days. Details of any benefits received above \$100 will be maintained on a register which is available to you on request.

Referral Fees

We are able to refer you to a mortgage broker for mortgage advice. Where we do this, they will pay a portion of the initial commission they receive to us of between 0% and 0.3% of the value of your loan. Commissions are paid by the product provider and are not a direct cost to you.

Associated Businesses

We may refer you to AstuteMed for accounting and tax services.

Adviser Remuneration

Neal During and Sean O’Kane are owners of the practice and share in the profits that it makes.

Alexander Menzie is an employee of the practice and is paid a salary. He may also receive a performance bonus based on his contribution to the performance of the practice.
